We have reached the month al-ḥijja, a very holy month. It is the last month of the moon calendar . Then comes the New Year with the Muharram.

The first ten nights of Dhul Hijja are very special. See the beginning of Suratu l-Fajr „*wa l-fajr wa layālin 'ashr*“. We should use the coming nights.

Today is the third day of the month.

The eighth Dhul Hijja is „Yaum at-Tarwiya“ on which the mounts were watered, and the ninth „Dhul Hijja“, the day of Arafat, are days selected by Allah. It is Sunna to fast on the day of Arafat and recite Suratu l-Ikhlās a thousand times.

It is the month of Hajj, but there is no Hajj. Allah wills mankind to remember it. There is something good about the whole Corona crisis when we wake up. Do not be sad. We Muslims submit to the will of Allāh. And Allāh loves us, al-ḥamdu li-llāh.
