

*Al-ḥamdu li-llāh, awwalu jumu‘atin naltaqī fiha fi Ramadān. Wa l-badru al-muktamil yushīru ilā intiṣāfi sh-shahr. Wa yawmu l-ithnayni l-qādim in shā’a Allah nuṣallī t-tarāwīḥ fi l-masjid.*

Mina n-nāḥyati l-‘ilmiyya vayrūs al-kurūna laysa illā anfilwanza ‘ādiyya, mina l-latī narāha fi kulli ‘ām. Wa iḥtimāl yakūnu aghlabnā qad marra biha wa aṣbaḥa ladayhi manā’a.

Man yaqifu warā’a junūni l-kurūna, huwa nu-fūdhu kartell sharikāti l-adwiyya (bil gates) wa fasādi l-anzima wa l-i‘lām, in lam yakun ghabā’un mustaḥkam. Immā fasād aw ghabā’ wa lā thālitha lahuma – bi llatini: „terium non datur“.

Wa makānu ha’ulā’i aṭ-ṭabī’i huwa s-sijn, wa lākinna n-nāsa tatba’i l-ḥukūmāti mithla l-khirāf. wa l-‘ajība annahum lā yajtami‘ūna li yaqūlu „lā!!“ – fi Qubrusi „okhi“ –.

Wa l-āna kayfa nu’addī ṣalātu l-jamā’a? – lā yūjad dā’i li ṣ-ṣalāti *mutabā’idīna* bi sabab al-kurūna illa l-qānūn. Wa lākinna r-rasūla yaqūl: „al-qadam fi l-qadam wa l-katif fi l-katif“ – wa ra’yīy huwa an nattabi’i r-rasūl ﷺ

*Al-hamdu li-llah, we come together here for the first Friday prayer of this Ramadan. The full moon shows that its half is already over. The TARAWIH-prayer we will do in shā Llāh for the first time again in the mosque next Monday.*

*The corona virus is - from a scientific point of view - nothing more than a normal flu, that we have every year. Probably most of us have already had it this year and are immune.*

*Behind the corona madness stands the influence of the pharmaceutical industry cartel (Bill Gates) as well as the corruption of the governments and the mass media, if it is not pure stupidity. Corrupt or stupid, a third there is not (in Latin: „tertium non datur“.*

*The natural place of these criminals is prison. But people follow governments like lambs. It can only be surprising that they do not come together and say „No!!“ in Greek: “Okbi!”).*

*So how should we do the prayer together? - Because of „Corona“ there is no reason to keep a distance between us in prayer, but at most a legal one. The Prophet ﷺ said: „Foot to foot and shoulder to shoulder“. My suggestion: We follow the Prophet ﷺ.*
