We have reached the month of Safar, the most challenging month in the Islamic calendar, and Sheikh Nazim Effendi has advised us to perform Istighfar 300 times a day to protect ourselves from the difficulties of the month of Safar.

He also recommended giving Sadaqa and staying at home if possible. For our home is our protection, and problems will not reach us there.

Additionally, the Sheikh advises reciting Ayat al-Kursi seven times daily, as well as Surat al-Fil.

One recommendation is also to keep one's head covered, not only during prayer but at all times. This provides special protection.

Sūratu l-Fīl:

بسْم اللهِ الرَّحْمَٰنِ الرَّحِيم

Do you not see how your Lord dealt with the people of the elephant? Did He not cause their tricks to fail — and sent against them flocks of birds which attacked them with stones of baked clay, that they resembled eaten stalks?
