*Allah ,Azza wa Jalla says (24:31):
„And turn all of you to Allah in remorse, o Muslims.,,*

*Men are sinful. Allah created them in this way.
And He promised to accept their repentance.*

*„If you commit a sin, do good afterward,“ says our
prophet .*

*If you do right after your sin, it will remove your wrong.
It will not remain a sin.
Allah says: „I created you to sin and repent.
If ye cease to sin and repent, I will create
other beings to sin and repent.*

*This applies not only to Muslims,
but to all people.*

*They should repent and return to Allah
so that their injustice is removed.*

Allah forgives when they ask for forgiveness.

*But if you do not ask Allah for forgiveness,
He will cause you all kinds of hardships and
difficulties.
He lets the people in dunya taste of it before Akhirah.*

*Evil brings nothing but evil.
And good brings good.*

*All nations of the world, billions of people,
are now afraid of this disease.*

*Asking: where it comes from? – From Allah.
Allah didn’t give it to you as a reward.
It all comes from Allah.*

*He gave it to you because of your
craziness,so you’d remember him.*

*When you’re punished,what do you do?
You repent so Allah will forgive you.*

*May Allah take this misery off our shoulders.
May Allah forgive us. May Allah protect us.
May there be no punishment for us.*

*When we repent and ask for forgiveness,
Allah ,Azza wa Jalla turns our sins into thawab.*

*Therefore, it is our good fortune
to be Muslims.*

*Mankind does not know this. They believe
that those who live in Europe and America
are happy ones.*

No Happy are those who turn to Allah.

*Wa s-su‘adā’i humu l-muslimūna
l-ladhīna yu‘minūna bi l-llāh.*

*Happy are Muslims
who believe in Allah.*

*Mumkin an ya‘īsha l-insānu
fī akbar baytin fī aghnā dawla.*

*A man can live in the biggest house in richest
country in the world,*

Wa lākinna hātha lā yughnī ‘anhu shay’an.

But this is of no use.

As-sa‘īd huwa l-‘abdi l-muslimi l-mu‘min.

*The benefit lies in faith. Happy is a believing
servant, a Muslim servant.*

Lā tufakkirū fī l-maraḍ wa l-asqām.

Do not think about diseases and infirmities.

Udhkurū l-llāha wa lan yuhimmukum shay’.

Think of Allah and you will not mind.

*Inna l-llāha ma‘a man yathkuruh
wa yu‘ṭī man yas’aluhu l-‘āfiyya.*

*Allah is with those who are with Him.
He gives to those who ask for healing.*

Wa qāla rabbukumu d-d‘ūnī astajīb lakum.

„Ask, and I will accept your asking.“

ḥafīẓana l-llāhu jamī’an.

May Allah protect us all.
