ADDRESSING TO THE PEOPLE OF THE 21ST CENTURY

50 Cent

We are so weak

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQQĀNĪ, Lefke, Cyprus

Sabbet after Zūbr, Yaum al-aḥad, ~ 2nd Ramaḍān 1427, 24th September 2006

He who sits in the centre of our circle is an idiot ...

*Dastūr yā rijāl allāb. Madad yā rijāl allāb.
Madad yā 'ibādullābi ṣāliḥīn, 'ibādullābi ṣāliḥīn.*

*As-salāmu 'alaikum! Ayyuha l-mu'minīn! Lanā
sharaf, akbar sharaf, asbraf sharaf, aulā sharaf,
'ālā sharaf, azra sharaf, akbar sharaf, azbar
sharaf, 'an nakun mu'minīn.*

Allāh *jallā jalālahu* Almighty has granted *īmān* to His most honoured servants.

A'udbu billābi mina sb-shayṭāni r-rajīm.

Our Lord, we escape to You from Shaytan and its followers. We run to You. Devils have made this world like hell. He cheated our grandfather Adam who was in paradise. He cheated him and caused him to be thrown out of paradise. What do you hope to gain from shaytan, o mankind? What is your hope from shaytan

that makes you to run after ‘it’. You follow ‘it’, and you are asking to reach a happy and peaceful life?

People have stopped to consider anything. Like flocks running after the shepherd, they don’t think anything. No. Does a flock of sheep think anything? Do cattle think anything? When they are being led to the slaughterhouse, and they follow their shepherd, they don’t think. If they knew they would escape, or rush on their owners trying to kill them. But they don’t think because animals haven’t been granted the power to think. But you, you are granted this power, but you don’t use it.

Bismi llābi r-rahmāni r-rahīm! O our Lord, we run to You, o our Creator, o our Lord, o our Protector here and Hereafter; You created us and we are escaping to You from shaytan. Keep us, guard Your weak servants!

“Wa kbūliqa l-insānu da‘ifā” [4:28] – *insān*, man, was created weak.

“How can that be? A person may be as tall as two meters like a giant, or as heavy as 200 kilograms – how can you say, o Sheikh, that man was created weak?” We are not looking at what they have invented and how they try to show everyone that they are such strong ones with their appearance and with their vehicles! They say: “We are not weak ones, we are such strong ones. We can make earthquakes when we fly. How can you say that man was created weak?” What shall we say to that crazy idiotic one!

Yes. An animal may eat anything that if a man ate he would die. If you look at hens or chickens, they would eat everything that moves on earth. Can you eat like that? Can you eat scorpions, spiders or centipedes? We run away from them, but chickens and hens run after them! You are not so brave as they are. You escape from what they are running

after. They even run after snakes! They will not leave anything that moves.

Can you put one spider in your mouth? Who of you is that powerful and brave? Can you be brave and eat what is so poisonous? Yes, poison-moison – chickens never understand; they eat and lay good eggs and we say: “Farm-eggs’, so tasteful, tasteful!” The ones from chicken-factories are not good. They run around looking and eating from every poisonous thing, but their eggs so ... Why don’t you eat? You can also eat a spider! Your hands are too big, your mouth is much more powerful than the nose of a chicken! Take a little bit! Where are you, scientists, and doctors who claim: “We are such powerful ones, and we can do everything”? Eat one spider! Show me your courage!

Yes. A horse may run from morning up til evening, a donkey may walk ten hours with its load – can you do that? And we say: “We are most powerful”!

But we are weak, we must accept that – Allah never lies. But you are liars! Accept Heavenly Realities, Heavenly Orders, Commands, and Heavenly Knowledge, and beware of your ego! Your ego is the most foolish and ignorant one among creation, because your ego is so proud: “I am this one”, it claims, but it is not!

Even if a small mickey-mouse is running, people scream, “What is that!” and run away!

Yā Hū – will this small one eat you? It is afraid of you and runs away but you are running away from it saying: “I am so powerful”? – You are so weak!

Sometimes a bee may come to you and you run away. Why you are running away if you are so powerful? There is another red bee that eats normal bees. When it bites it gives poison, so we run away. O man! You are so powerful and you run away from one red bee? What is

that! But people have stopped thinking; they only say: “We are so powerful!”

Yes, such a powerful person! So many people now have lost their power that they claim they had and they are put in a high bedroom in hospital. There is a room with so many machines that a person is put on to to make him strong again, but he will only reach zero point. This is intensive care. They put a bottle of oxygen ... “Yā Hū, that person is finished!” “No no, he is not finished, still we can put another bottle of oxygen!” ... because money money money ... “Dollar Dollar Dollar” – “Pound Pound Pound” – “Euro Euro Euro“ ...

Where is your power, o mankind? Why do you not accept what Allah Almighty said:

“*Wa kbuliqa l-insānu ḍa‘īfa*”?

And there is another thing which they call ‘Birdflu’. “Oh! We must escape! Where is it? Did you see it?” Never! It came to Turkey and doctors were in doubt. They said: “We never saw that bacteria or microbe. We don’t understand!” They sent it from Turkey to London to have a look to see if it is this or not. The doctors in Turkey asked the doctors in London how they could identify this virus. And the doctors in London reported back to Turkey: “Yes Sir, just we are looking for that virus. You must use your best scientific instruments and when you look, if it is blue it doesn’t matter, but if its colour is red, you must run away!” This

Outside door Hala Sultan Tekke, Larnaca. Photo H. Spohr

was their final report. But in Turkey they didn't understand this also and they were asking themselves: "How can we catch it to see if it is red or blue?"

They should mix red with blue and if they can see it they should run away. And if they can't it doesn't matter. Animals must we left to live also. Allah created viruses also and gave them their provision! Therefore it has been ordered – they must take their share from mankind! As Allah sent mosquitos to Nimrod and his soldiers and they were all ordered to take their share from the bodies of Nimrod's army. Afterwards only their skeletons remained.

O people, beware of the Anger of the Lord of Heaven! You are so weak!

Say: "O our Lord, we are weak servants, You are most powerful. Everything is weak, only You are powerful, nobody else. You are the Creator, You have endless Power, we are only creatures and we are nothing!"

But people are following shaytanic teachings and shaytan makes them fight against every knowledge that comes from Heaven and they imagine that with their armies, their weapons, and their missiles they will be powerful!

No, you are weak! Know that you are weak and bow to your Lord Almighty Allah! Now, o people, the world is running to its last station; beyond that station there is nothing. Duniya is finishing and we are living now through the signs of the Last Day, the last station for mankind on this planet.

Beware from shaytan and its followers! Come and join to Allah Almighty's armies to be sheltered, to be in peace, to reach eternal peace, eternal pleasure from your Lord Allah Almighty up to eternity ... eternity ... eternity!

O people, we are getting older; day by day we are getting older, one day our skeletons will not be able to carry us!

O people, be pitiful to yourselves! Stop killing and destroying! Run to Allah, run to give charity and goodness to the servants of Allah Almighty so that you will be happy accepted servants in His Divine Presence!

We are getting older and we are like a car which is 30 years old and doesn't run as it did when it was new. Do you think that the 30 year old car will run as it did on its first day? No, day by day we are becoming older, and sooner or later our skeletons will not be able to carry this and we will fall and die.

Before dying, o people, run to Allah and give your charity! He is only asking you to be a good servant and to be full of charity to His needy servants.

O people, you will not be able to carry anything material from this life to the next life, you will only be able to carry the charities you have given here and your obedience to the Lord Almighty Allah.

May Allah forgive me and bless you! For the honour of the most honoured servant Sayyidinā Muḥammad ﷺ,

Fātiḥah. ◆
