

And now so many Muslims are not praying! They say five times a day is too much! Jum‘a prayer is enough!” They are also no mind people!

Why did Allāh Almighty order us to pray five times a day? Because He wants to dress you from the glory oceans that belong to this creation! Therefore He calls you and dresses you and leaves you. But mostly the Muslim world’s minds are also on zero kilometers – never used!

O people, we are saying the truth and the truth comes with true ones! Only true ones may bring the truth and Allāh Almighty should help them! Even if they are only a handful of people, they should be the winners. And wrong and false people should be taken away – wrong and false ways will not remain on earth. Because Mahdī ﷺ is coming!

May Allāh grant us to reach him, to be His servants! And by serving Mahdī ﷺ we are asking to be servants of the Lord of Heavens and to be dressed in the glory that belongs the glory oceans of creation. Oooh! You must look! Only one little spot of glory is coming with Mahdī ﷺ and another one in the time of Jesus Christ and you should find that glory on earth at that time!

This Duniyā is dirty, dirty. People living in this Duniyā like to be dirty and to live in sewage channels. Now the whole of this Duniyā is like a sewage channel and people would like to be forever in it, but the time is coming when it will be dry. It will be taken and thrown away and one spot of heavenly glory from glory oceans will come to make people glorious! In those times if you put out a hill of gold, no one will look at it or open their hands to take anything! No.

O people, try to be Insān Kāmil, a perfect servant with your servanthood – that is our honour!

May Allāh forgive me and bless you!
For the honour of the most honoured one in His Divine Presence, Sayyidinā Muḥammad ﷺ, Fātiḥah! ♦

Virtues of observing *ṣiyām* (fasting)

Abū Umāmah said: „I asked the Prophet, peace be on him, to command me to do a good deed. He said: ‘Observe *ṣawm* (fasting); it has no equal’. So, I said to him, once again: ‘O Messenger of Allāh, command me to do a good deed’. He repeated: ‘Observe *ṣawm*; it has no equal’. So, for the third time, I said: ‘O Messenger of Allāh, command me to do a good deed’. And again for the third time, he said: ‘Observe *ṣawm*; it has no equal’.”

Now contemplate this Hadith:

The Prophet is reported to have said: “When a servant of Allāh fasts one day for the sake of Allāh alone, He distances his face from hellfire, for that day of fasting, by a measure of seventy years.” ♦

A Question of Honour

MAULĀNĀ SHEIKH NĀẒIM AL-ḤAQQĀNĪ, Lefke, Cyprus

Sabbet after Zuhr, Yaum al-aḥad, ~ 23th Ramaḍān 1427, 15th October 2006

As-salāmu ‘alaikum wa raḥmatu llābi wa barakātub!

Asbbadu an lā ilāha illā llāb wa asbbadu ana Sayyidinā Muḥammadan ‘abdubu wa ḥabībubu wa rasūlub ﷺ!

Auda‘nā ḥātāini l-kalimataini sh-shabadataini ‘indaka yā Rasūlallāb wabiya lanā wadī‘atun yauma l-qiyāma, yā man arsalābu-llāba ta‘ālā raḥmatan li l-‘alamīn!

Astaghfirullāb, astaghfirullāb, astaghfirullāb. Tauba yā rabbī, tauba yā rabbī, tauba, astaghfirullāb!

A‘udbu bi-llābi mina sh-shaiṭāni r-rajīm, bismillabi r-raḥmāni r-raḥīm,

Lā ḥawla wa lā quwwata illā bi-llābi l-‘aliyi l-‘azīm!

Welcome to you, servants of our Lord! May Allāh forgive and bless us.

It is our honour to be proud that we are Muslims! There is no honour greater than being a Muslim and you, you must know this and you must believe in this!

It is not enough to know, but we must also believe that we have been granted from Allāh Almighty the highest honour to be Muslims.

We are Muslims! To be Muslim means to surrender to the Holy command of Allāh Almighty and to believe that through His messengers we have been granted the last heavenly message, the Holy Qur'ān.

You are not created for eating and drinking – that is the life of animals! But you have been created to reach a high, respected position and honour by being His servant.

O people, you must know and believe that you are servants and that you have been created to be servants of your creator! You must be servants of the one who created you. You have been created for that purpose and He is asking from you servanthood.

Why is He calling you and asking you to surrender to His Holy Commands? Because He wants to grant to you more and higher honours! He likes to give to you. He is most glorious, and endless glory is for your Lord, Allāh Almighty. His Glory Oceans are endless. Glory is His own divine attribute. Absolute glory is for Him, Almighty Allāh, and He is asking to grant you glory also.

O heedless people, your Lord is asking to give to you from His glory oceans.

He is asking to make you also glorious! And your glory will be according to your being, but absolute glory oceans are for Him. Only one drop of glory from His endless glory oceans is enough to make the whole of mankind glorious. One drop. The amount of water that would remain on a needle if you put it in an ocean and took it out, that amount of glory from His glory oceans is enough for everyone. And those glory oceans are only for His creation. No one knows about His own glory oceans. Don't think that He grants to you from the glory oceans that belong to Himself. You are a creature, He is the creator! Therefore no one knows the creator's glory oceans.

Arabs, Ar-rabs, Ar-rabs—they think that they have glory with their petrol! Hahaha!

“How many oil fields do you have, o my brother? One hundred? Nothing! One thousand? Nothing!”

You are asking for glory by means of your oil fields, eh? Ar-rabs . . . Hahaha! *Lā ḥawla wa lā quwwata illā bi-llābi l-'aliyi l-'azīm!*

“We have skyline buildings now.”

“What happened?”

“Now we have destroyed the old cities of Mecca and Medina and we have built so many skyscrapers. Now instead of old Mecca and Medina which we destroyed we have built new buildings, skyline buildings!”

“How many floors does your building have, o my brother?”

The Prophet said ﷺ: “When the Last Days approach people will be proud of their high buildings.”

“How many floors does your building have?”

“O Sir, twenty.”

“You, Professor?”

“Fifty.”

“Hmmm . . . you?”

“Eighty!”

“Ahhh! You are a V.I.P. because you have ninety floors!”

– Salim – listening to me? –

This is a new fashion. People take honour from their high buildings. “And”, Prophet ﷺ said that, “people will compete to make high buildings.”

Their minds are on zero kilometers – as a new car in a showroom! What is that!

“We are 21st century people, o Sheikh! You were living on one or two floors – you are nothing! We have the honour to build in Jeddah or Riyadh. And some of our foolish people are also trying to copy the buildings that we have in Jeddah or Riyadh, in Mecca

and Medina. And we also build palaces, and we have the honour to own such palaces!”

That is their honour! They think that their glory comes from their high buildings! And even the toilet rooms are being built so big you may put a bed in there and sleep. Baitu l-Raha, Abdesthane, number 100, WC.

You are not allowed to enter the WC, Nuruddīn, no, it is forbidden, because you may steal something from it, because everything metal is made from gold! They will never let you enter alone! They make a hole to look through to see if you are taking something with you. They say we must check that person to make sure he is not taking something away.

“Check that person so that he is not able to take some gold from the toilet.”

If you have a golden WC you are called a rich person. Their minds are on zero kilometers because they have never been used! If they use them they would understand this is not glory! Allāh Almighty is giving glory!

And the Pope also thinks that his glory comes with his decorated costumes, he is never dressing like me! Oh! And with their golden crowns they think that they have glory. Finished! And

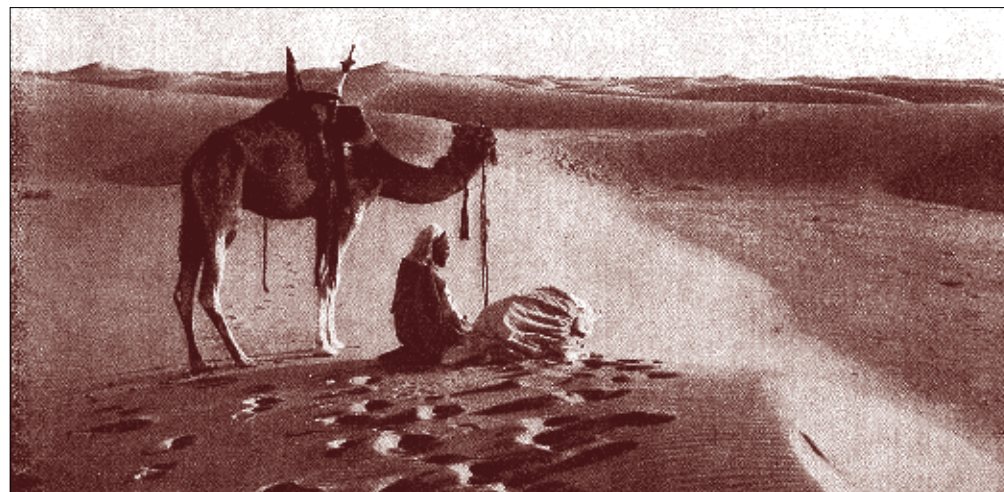

they are trying to make our religion nothing because they say: “You are poor people, living in the desert, and you don't know what Dunyā is and what is its glory! But we know!”

And then they are trying to criticise the honour of the universe, Sayyidinā Muḥammad ﷺ! Hahaha! They think that they have glory because they are dressing with the cross. The non-Muslim world also have zero kilometer minds! They are not looking to Islam, real Islam! Yes. *Lā ḥawla wa lā quwwata illā bi-llābi l-'aliyi l-'azīm!*

Your Lord Allāh Almighty is asking to grant you, o Muslims, from the glory oceans that belong to creation. He is not in need of those glory oceans, no! No one knows his glory, and the glory oceans that belong to this creation, are going to be as nothing in His Divine Glory Ocean!

O people, say: *Allābu akbar! Allābu akbar! Allābu akbar!*

People are on the wrong way! They have wrong understanding and they follow the wrong way. They learn wrong things and they are losing their honour and it is going down, and down!
