## Heavenly News: Terrorists will be taken away

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQQĀNĪ, Lefke, Cyprus  
*Sabbet from Yaum al-aḥad, ~ 16th Sha‘bān 1428 / 28th August 2007*  
*The Day after Laylatu l-Barā’a, the beginning of the Heavenly Calendar*

*Yā rabbī ṣallimnā,  
yā rabbī ṣalimnā,  
yā rabbī ṣallimnā fi d-dunyā wa l-ākhirat!  
Ashhadu an lā ilāha ill-Allāh,  
wa ashhadu ana Sayyidanā Muḥammadan ‘ab-  
dubu wa ḥabībubu wa rasūlubu ﷺ!*

*Shukr, yā rabbī, shukr,  
yā rabbī, shukr, al-ḥamduli llāb!*

**W**e are so happy that Allah Almighty granted us to say: *Lā ilāha ill-Allāh, Muḥammadu r-Rasūlullāh!*

Billions of people can’t say that. It is such an honoured word which all Prophets brought from Allah Almighty: *afḍalu dbikr: Lā ilāha ill-Allāh!*” To be able to say: *‘Lā ilāha ill-Allāh’*. Allah Almighty likes that word!

*Shukr*, thanks to Allah, all thanks, and countless praisings that Allah granted us to be able to say: *Lā ilāha ill-Allāh, lā ilāha ill-Allāh, Muḥammadu r-Rasūlullāh!*

*Dastūr, yā Sayyidī, yā Sulṭānu l-ʿAḥliyāʾ*, o our Master, if you are not granting us something, we can't say anything and no one could be present here! That is the power of Heaven, coming from unknown worlds and we can speak.

We are in the most difficult of times for mankind now, therefore we must say:

*“Aʿūdhu bi-llāhi mina sb-sbaitāni r-rajīm, bismi llāhi r-rahmāni r-rahīm. Madad, yā Sulṭānu l-ʿAḥliyāʾ!”*

They can hear. With the power that a Saint, servant of the Lord has, he may hear the sound of an ant when it is moving. When it moves a kind of sound is emitted. The saint may hear the steps of an ant as if it were thunder, it is so clear for them. You must believe in holy things, you must believe in heavenly Messages. If not, you will become only dust, dust with no value. Therefore ask holy people to teach you some ways that make clear to you the power of the Creator. Even atoms have a sound, have a glorifying. Nothing can be in existence without glorifying their Lord, their Creator, and the sound of the glorifying of atoms you are not able to hear, even in the smallest units of time! If you heard it you would faint and fall down!

And in our beings every organ would not be able to work, if that power didn't reach them. No organ in ourselves would be able to fulfill its role. The liver couldn't work, if it did not glorify its Creator. The stomach can't work, if it doesn't complete its glorifying of its Creator. Your mind can't work without glorifying. Everyone of your brain's cells must be alive. Every part of your existence in your material being must be alive and the sign of being alive is its glorifying. When its glorifying stops, it can't do anything, which means it's dead. Therefore physicians look and say: “This organ is finished.”

Why? Because there is no more glorifying. “Therefore,” they say, “we must cut it out and throw it away.”

Everything, when it is dying, is useless. The whole body, the perfect body, must be alive through every cell, because every cell is an *ʿālam*, universe, each cell is a private universe. No cell can be a hundred percent the same as another one. Don't think that this eye is just the same as another eye, no! Each one's importance is different and independent. Each one is an independent *ʿālam*, universe, and its inner workings are not mixed up with a second one.

Each cell has a kind of a border and each cell has several kinds of functions within itself, and is independent. And because of its border it is not becoming involved with another one.

Therefore when you say: *“Allāhu akbar!”*, don't think that you can measure His Height, or His Width, no! *Allāhu akbar, Allāhu akbar! Subḥāna llāhi l-ʿaliyyi l-ʿaẓīm*. That is Takbīru l-Ḥaqq, that is our declaration of His Greatness, and His Greatness appears through every cell and in every cell His Greatness appears in its function. *Subḥāna llāh!* And between the cells they have borders, or walls, protecting each one from a second one, each one from the second one's attack. Each cell is under the guarantee of Allah Almighty. Who is Guarantor for each cell against other cells? He, Allah!

O people, such things give you a knowledge of our Lord's Greatness, *maʿrifatu llāb. Maʿrifatu tullāb* that is high knowledge of Allah Almighty's Greatness. *Subḥāna llāb!* This world, all of it, with its numberless atoms, is under the holy name Jabbār. Allah Almighty's Power keeps the creation, so that nothing goes out of its balance. That means, there is a very firm discipline! If there was

no discipline, our bodies would have melted and passed away. Each cell is independent in your physical being, billions or trillions of atoms, and our body also is protected from everything around ourselves, so that it cannot be harmed or touched by anyone, no, Allah is the Guarantor: “... *wa lā ya’ūdubu bifzubumā* ...” [2:255]

Don’t think that there are only seven Heavens with the Kursī and the ‘Arsh, seven Heavens up, seven worlds down! He is Allah Almighty, He is the Guarantor for all of them, and everything in them to its smallest part are also protected.

“... *wa lā ya’ūdubu bifzubumā* ...” It is not difficult for Allah Almighty to do what He wants to do! He only has to say, “*Kun!*”, “*Be!*”, and it comes into being, and obeys. It must obey!

Therefore Allah Almighty likes His servants to be obedient. He never likes disobedient ones, they are – what we are saying now – terrorist! Man is not happy with terrorists – so will Allah be happy with them? No! Allah Almighty says: “No, I don’t accept terrorism in My territories! *Allāhu akbar! Allāhu akbar! Allāhu akbar!*”

O people, think about it, think about it, think about it! “... *wa lā ya’ūdubu bifzubumā wa huwa l-‘aliyyu l-‘azīm.*”

You cannot make any measurement for His ‘Ulūm which covers everything under His Mightiness! Everything is under His Dominion, and He has countless Dominions. Allah Almighty is making them in yourself and in everything. Dominions! Allāhu akbar! Therefore Allah Almighty never likes disobedient people, because disobedient people are terrorists! Let them go to Hell, let them go to the fire! Therefore all Prophets have been sent to prevent man from becoming terrorists!

Who was the first terrorist? Qābil was the first terrorist, breaking the holy Command. Therefore, whoever breaks the holy Commands, will become a terrorist! The first terrorist Qābil and his party with Shayṭān founded the first madhhab based on terrorism – ‘*alaybi la‘natu llāh* [Allāh’s cursing be on him!]. This is a new Tajalli for Laylatu l-Barā’a! Power is coming now, power is coming now, and should take away ...

Men are not able to stop terrorists or to destroy terrorism. The last night there was a Ḥukm Ilāhi, heavenly Declaration: “I am now becoming involved to stop it, to clean the world!” Enough! They have reached their top point, and men are unable to stop terrorism and to finish terrorists. “Now I am sending My Power” – minimum, minimum, not maximum, no, minimum, about which you cannot bring a description. “I am sending minimum power now to those terrorist people!” Like ... “Where are terrorists? Is anyone here a terrorist? *Tuub!*” on terrorists. – Enough!

Terrorism has just reached its final point. As an example, Nimrod was a terrorist, Pharaoh was a terrorist, Hitler was a terrorist. Nighttime sending: ... bssss... A very small creature came with such a strong poison, touching, until morning ...

“Heh! Uh! No one?” Yā Hū, here some people passed away and Doctors quickly coming to take the pulse: “Nothing happened, everything okay?”

This is terrorism and heavenly Revenge is coming to them. Allah says: “I am Allāh, I am Allāh!” *Subḥāna Hū wa ta‘ālā!*

If there are seventy Russians, seven hundred Americans, seven Turks, seventy Arabs – they still can’t catch them, they still can’t finish them.

Now Allah Almighty last night, Laylatu l-Barā’a, put a stamp on His latest Ḥukm: “Now

I am going to finish them! And I will use only the very weakest virus, weaker than bird-flu, very weak, sending to everyone – I know them: one by one, where they are sleeping, where they are doing so many things!”

Don't be a terrorist! It is finished! That is the last point for *ashbiyā'*, terrorists, and all people who are not keeping holy Orders. They reached the last point, and their chances are finished. Now you should see in this year!

O people, therefore keep yourself! Be obedient! Disobedient people, all of them, are terrorists, and all nations, the majority of them, are terrorist! Governments, all of them, are terrorists, and their way is terrorism. They are saying: “Democracy, democracy! We shall bring a good one!” No, you can't bring a good one! One *abshar mina th-tbānī*, one is more dangerous, more dirty than the second – it is finished!

This is number one from a heavenly e-mail, don't think that the Sheikh is speaking, no! This is an e-mail I am reciting.

Yes, terrorism just began with Qābīl, and is ending now! And then Jesus Christ will come! Sayyidinā Mahdī *'alayhi s-salām* is coming now! Dunyā will be clean, and pure, there will be no more terrorism! Therefore those among animals, such as tigers, lions, wolves, foxes, bears, sharks, snakes, which are terrorists, should be finished! They are afraid of Allah Almighty's mighty Power.

Therefore at that time lions will eat grass with cows, and wolves will eat grass with sheep, and foxes will eat in a friendly way, saying: “O my friend cock, I can't eat you, because if I eat you, I will be a terrorist and the mighty Power of the Lord of Heavens will finish me. Like you I am eating some grains!”

This is my declaration, but it is powerful, and it must be understood by every thinking

person. It has been said last night amongst the highest point of people, Awliyā's: “Even if they are doing nothing, but their hearts are with terrorist people, they should be taken away!”

Keep your heart for your Lord Allah Almighty! Don't carry bad intentions, or you should be taken away. Sleeping, and when the morning comes like a buffalo ...

“*Ṭā Hū* – this person was a small size, what happened? Now he has awakened like a buffalo!”

Virus touched it, that Revenge of mighty Allah touching, making such a buffalo, even out of small ones. O people, keep yourself!

This is new news from heavenly stations as a warning, a heavenly warning! I am only a translator! This must be heard through East and West. They must pay attention, so their names are not written on the terrorist list, or in one night they will be finished.

May Allah forgive us and protect you! For the honour of the most honoured one in His divine Presence, Sayyidinā Muhammad ﷺ ...

Who is against the Prophets *s-salātu wa s-salām* – is a terrorist, and should be taken away! Yes.

May Allah forgive us and protect you under His Divine Shelter! For the honour of the most honoured one in His Divine Presence, Sayyidinā Muhammad ﷺ,

*Fātiḥah!* ◆
