

This is not the mission of Jesus Christ, this is an imaginary thing!

Therefore, now Christianity has no power over people, on the servants of the Lord! They can't show the way, because the first principle which they profess is not true! Therefore, their spirituality has been taken away. There is no spirituality remaining in Christianity, no! It is finished!

Our Prophet, the Honour of Mankind, Sayyidinā Muḥammad ﷺ, the Honour of all Creation, was saying: "I have been sent to teach people what is good and what is goodness. That is my mission!" And he taught everyone what is good for them. And he showed mankind so many bad things that prevent them from receiving honour.

He made absolutely clear everything which gives honour to mankind: "If you do this, you will reach honour, and you will be honoured servants. But if you do these other things, then that honour will be taken away from you and you will be without honour like a dustbin. In the dustbin there is rubbish: There is no honour for you! This is the reality that the Lord of Heaven is opening now to all nations! They must know!

I am nothing, I am zero, but when One is coming with me, I am everything! Without that One, I am nothing! And the representative of that One is the Seal of Prophets! And when the representatives of the prophet, the Awliyā's, are going with me, I am shaking the whole earth like an earthquake! If such a person says: "Rain," it will rain, and if they say: "Don't rain," it will never rain! And people now are so afraid of the icebergs from the North; but if they say: "Stop, don't melt" then the icebergs will stop melting!

There are such servants also now! They are only waiting for the heavenly order! Why are they not interfering? Because people are on

the wrong way. Whoever is on the wrong way should reach so many crises, troubles, so many problems, sufferings, miseries; they should be surrounded by them, until they are coming and asking for reality! One person from such people may stop it so quickly, so easily!

'Atī! Allah Almighty says: 'Atīnī! Yā 'abdī, 'atīnī! *Ajaluka rabbaniyyan takūlu shay'in: Kun, fayakun!* O My servant! If you keep your servanthood fully, I will give you a power, making you *mawsūl*, related to Me, and you will be able to say for anything: "Be!," and it will be!

May Allah forgive us! We are reaching the end of this world! The Day of Resurrection is coming, the Day of Judgment is coming, coming closer. O people, come and listen to reality and accept it, or you will be destroyed and become nothing.

May Allah forgive us! Perhaps this Ramadan will be the last Ramadan that Allah Almighty gives to the nations. By the next Ramadan I don't think that such foolish people will still be on earth! They should be taken away.

May Allah forgive us and grant us to follow Allah Almighty's real servants; to learn servanthood only! We are not asking for Lordship, but servanthood – that is our honour!

Yā Rabbī! Tauba, yā Rabbī! Tauba, yā Rabbī – for the honour of the Seal of Prophets, forgive us! Fātiḥah. ♦

Welcome to you, our listeners, our visitors!  
May Allah forgive you and forgive me!

**R**eally we must give all our time for Allah, but we are so greedy; we work, and give our full effort to our egoistic desires. People are living only to fulfil their egoistic impulses. The target of people is only to make their egos pleased. Everyone is running to make their egos pleased, to give pleasure to their physical beings.

And the Prophet ﷺ was teaching people. *Mu'allimu l-khair*, the Seal of Prophets was a teacher. But what kind of teacher? What was

he teaching? Every goodness. His mission was to give every goodness, and to teach people every goodness; that was his real mission.

Some religions have made their Prophets above the level of prophecy, putting their guides over every heavenly level, but they are only using their imagination. Imagination never gives you anything! You may imagine yourself sitting in Heaven, but that is just imagination, it is not reality! And some nations other than Islam, some religions, are using mostly their imagination. They are running away from reality and using imagination instead, which gives them pleasure. It is not true! And by their imagination they are putting their Prophets over the level of prophecy, and trying to make them reach the level of Lordship. This is only imagination!

No servant can be the Sultan! No Sultan is happy to let even his son sit next to him on his throne. It only happens in their imagination! They are producing so much nonsense from their imagination and saying to people: “You must believe in such a way!” No! Imagination is something, and reality is something else.

It never happened that a Prophet said about himself: “I am sitting next to my Lord!” How can it be? How can a servant be with his Lord on the same level, sitting next to him? That is only imagination!

What does it mean, if they say this? That means: O people, you must try to reach that position where you are sitting next to your guides! Millions or billions will be sitting, all of them servants, becoming as partners on the Throne of the Lord. Where then is Lordship, and where is servanthood? That means that there is no servanthood on earth! How can that be? You are making all servants to be on the same level as their guide or their Prophet. And you are saying: “He is not a Prophet, he is the son of the Lord of Heaven!”

A person is granted children from the Lord of Heaven and children will support him when he is old; or when he is young and he is working they may help him. Therefore people have so many children and they are happy that they have a lot of children.

But are the servants helping the Lord of Heaven, whose Lordship is only for Himself, and He is the Creator? How can it be that the Creator is making creatures to help Him? What is that foolishness, what is that nonsense?

There was never such a nonsense idea from the beginning of prophecy up until today. From where did Christians bring that? And for what? From which book? Did Moses say: “My Lord needs someone to be with Him, sitting on His left or right?”

Did Abraham say this, and Ishāq, Ismā‘īl? Did Noah say this? Or David, Sulaymān? Did Zakariyyā or Yaḥyā say this – peace be upon them all –? ‘Īsā, Sayyidinā ‘Īsā, Jesus, was he saying this? How can it be?

Therefore, Shayṭān makes man to lose reality and invent so many things! Imagination, yes: The Lord is sitting on His chair and on His right hand is His son – I don’t know who is sitting on His left hand, the Holy Ghost? Therefore, there is no life in Christianity, it is finished! There is no spirituality! It has been taken away, because it never addresses the mentality of people!

No, it can’t be! Even an ordinary prince, is never happy for someone to sit next to him. He wants to be in front of everyone.

We were talking about what the Prophets were teaching people –, and we said that the Seal of Prophets, Sayyidinā Muḥammad ﷺ, was teaching all nations about what is goodness, and how to achieve that. We have been ordered to learn what is best, and to do good things. He was teaching us this.

What did Jesus Christ teach people? O people, did he ever say: “I am sitting next to My Lord”? And they are giving Lordship to Jesus Christ and they are making the Lord of the Creation into a father, his father. Does being a father give one honour? Everyone is going to be a father! How can you say that about the One who sent and created Jesus Christ! Who may give such a title to Allah: father? What is that? Even now they are not discussing it.

And the Seal of Prophets who is *Mu‘allimu n-nāsu l-khair*, had been sent from Heaven to teach people what is best, what is good, what is bad.

This is his real mission, which mankind is in need of! Not to make their Prophets into son of the Lord, sitting next to him on the Throne and to make a form or picture from imagination and saying: “This is our Lord, sitting with his son”, no! How can 21st century mentality accept such foolishness, nonsense?

And they are trying to put Islam down! They are never thinking about themselves!

I am thinking: Is that the mission of Jesus Christ? They say: “Jesus Christ, the son of the Lord, was sent to earth to save people from the first sin.” Hāshā – never!

The first sin is such a simple sin, compared to the sins that mankind are doing to each other! And they say: “The biggest sin!” Yes, it may be a big sin, because they didn’t listen to and obey their Creator Allah Almighty who had ordered them: “Don’t eat!” Only that point makes it a big sin. But compared to the sins that people are doing now, it is nothing!

And if Adam was a sinner, he must be punished. What about after Adam *‘alayhi salām*? Did Jesus Christ come 5000 years after him and the Lord of Heaven loaded the

sin of Adam ﷺ on him and put him on the cross saying that: “This is your mission to save mankind”? Which mentality accepts such foolishness? How can it be? Is this Divine justice?

“*Wa lā taziru wāziratun wizra ukbrā*” [6:164, 17:15, 35:18, 39:7] – In the Holy Qur’ān, Kalāmullāh, in the Holy Words of Allah Almighty, He is saying: “I never load the punishment of one person onto another!” Who committed that sin must carry the punishment for it!

Once a priest came to me in Germany and he was speaking about Jesus Christ. And I said: “I would like to ask you one question: Was Jesus Christ crucified for mankind, for all of mankind?”

“Yes, he sacrificed himself.”

I asked: “Do you think that that his mission was?” He said: “Yes.”

I said: “You are not right! I am asking another question to you. According to your Holy Books, when he was sacrificed, he cried and asked: ‘O my Lord, why have You left me in the hands of these people?’ He was crying! Do you think that this showed he knew what was his mission?” And that priest took his shoes and went away.

No Pope, Bishop, or anyone can answer this question for me! And I am the weakest servant of the Seal of Prophets! I am nothing, but they were making me to ask him: “You are saying that his mission was to save all people. But how was he shouting and crying on the cross and asking: ‘O my Lord, how could You leave me in the hands of these oppressors?’ He was crying! If he knew his mission, why did he say this? You are not telling the truth!”

There was no answer; he took his shoes and went away, and didn’t come back a second time.
