Be defenders of Truth

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQQĀNĪ, Lefke, Cyprus
Sabbet from Taum al-aḥad, 19. Muḥarram 1429 / 6th of January 2008

A'ūdhu bi-llābi mina sb-baiṭāni r-raḥīm, bismi llābi r-raḥmāni r-raḥīm.

Lā ḥaula wa lā quwwata illā bi-llābi-l 'aliyi l-'aẓīm. Madad yā Sulṭānu l-'Awliyā'!

This is the last Sunday of the passing Hijri Year. 1428 years are about to finish and we hope that Tuesday

is the last day. Wednesday should be the first day of the new year in the Hijri calendar which begins with the holy month of Muḥarram. May Allah forgive us!

Allah Almighty wants His servants to serve Him Almighty, but now even though there may be 6 billion people living on earth, we

would be lucky to find 60 million who are trying to be servants of the Lord of Heaven! But, including me also, we are not trying to be good servants for our Lord. Everyone now is trying to be servants of Shayṭān! And Shayṭān is our most terrible and dangerous enemy, but people are saying: “No, no, perhaps he is our best friend, we will be with him! We find refreshment and pleasure in what he wants us to do. Therefore we are trying to follow him!”

Turks are like this, Arabs are like this, Pakistanis are like this, Iranians are like this, Iraqis are like this, Syrians are like this, Egyptians are like this – the whole Islamic World is saying: “We must follow the shayṭānic way and we must try to be the best followers of Shayṭān!”

They don’t call him “Shayṭān” but “our king”, “our most important leader”. Every leader who is leading people now in the 21st century has been given his degree by Shayṭān. They will be unhappy that I am saying this, but it is true! *La ʿnata-llāh li kādbibīm!* Allah curses the one who is lying – we are not lying! Inshāʾ Allāh I am not cheating you, I am not calling you to a dark way, but I am asking all the time: “Oh our Lord, keep us on Your enlightened Way!” There are two ways: The enlightened way to Paradise, and the dark way leading people to Hell. And up until today all problems are increasing.

But I can see that they have reached the end of this period! This period that is mentioned in our ... there is a limit for every period. This is the period of tyrants which is mentioned in the Holy Qurʾān and in the sayings, Hadith of Rasullullāh ﷺ.

The Prophet ﷺ said: “I am walking on a path, and I can see what is in front of me, where my path is reaching, and also I am leading or guiding my followers on an enlightened way, leading them to Paradise.”

And anyone who is following the Seal of Prophets, is on an enlightened way here, leading them to Paradise. Whoever is opposing ...

Everywhere there are elections: in Kenya, in Argentina, in Pakistan, in Turkey ... Everywhere there are some people in power, and some people in opposition. That is a scenario, a shayṭānic scenario, causing people to say: “You are in power, we are in opposition! Today you are in power, but we will not be silent, we will demonstrate in the streets saying: ‘Oh, you are corrupt people, you must be brought down, we must come to power!’”

When they come to power, there will be another people who are in opposition, and they will begin: “Eh, you are all wrong ...!”

To the fire! Allah is cursing you! *Ha sha!* Therefore there is no rest for people. When the opposition comes to power, the people who were in power before them, start to demonstrate on the streets against them. And the streets will never be empty! This is the time of tyrants, and they never listen to heavenly Orders, they never take care of the Commands of the Lord of Heaven!

In the time of Sultans or Kings or Emperors, there was no opposition, but when they opened the Bastille Castle the beasts and violent animals who were in there came out and became the opposition. And up until today their descendants have never stopped!

But the Lord of Heavens has put a limit on them also, so that they cannot go on that way forever, no! And we hope that this new year which is beginning in the Hijri calendar, will be the end of their period and that they will not be able to put one more step on their way!

You may imagine a circle. These people have reached the top point and good people are on the bottom point of this situation under the dirty feet of those tyrants. But this wheel is always turning, it is not going like a straight line, but like this ... It is taking some people up, and bringing some people down. Now they have reached the top point.

You know, I don’t know. You are drivers, all of you are driving cars. There is an in-

strument on the dashboard which shows you your speed. If the top speed is a hundred kilometers an hour, as much as you press the pedal, you can't make the car go faster than this. 200 is 200, and no more. Now their period is not going to be longer, but they are trying to push the pedal, trying to make it longer! There is no more! The top point has moved now. They are on their way down and we are beginning to go up, and the direction of this circle can't be changed. Therefore I hope that this new year 1429 in the Islamic calendar will be the beginning of the end for tyrants. They will begin to come down, and their power will become less and less, and our power will begin to increase! The power of true ones!

Therefore my advice to you is to be Truth defenders! And you must ask "What is truth?" Truth is coming from Heaven, and Shayṭān is on earth, shayṭānic rules are for tyrants. Don't be defenders of shayṭānic ways or regimes! Try to be defenders of Heaven, heavenly Truth! If you do that you should be in safety here and hereafter. If you don't do that, then your final station should be in Hell.

May Allah forgive us! Now it is like winter time. When trees have lost their leaves they sleep until springtime. In the spring the holy Command comes to nature: "Wake up! Winter is now finished, wake up!" and water by its Lord's Command begins to move through the trees which up until then appeared to be dead. They think that the trees are dry and they are intending to chop them down. But at that time the holy Command comes from Heaven to nature: "Move through the veins of trees by your Lord's Command!"

And it begins, and the first thing that can be seen are buds opening. Those people are saying: "We must not leave this, we must take those buds away!"

It can't be! The holy Command has arrived, they are beginning to awaken, and no one can make them go back to sleep again!

Now we are in those days! I hope that at the beginning of the Islamic year in the Hijra calendar that Command will come from Heaven to nature: "Wake up! By your Lord's command, wake up!"

And that which people thought was dead will begin to awaken!

Mā shā' Allāh! It should happen in such a way that people will think they are living in Paradise. There should be on earth the appearance of Paradise after Dajjāl, the Antichrist, and his group have been taken away. And there should remain only believers. Whoever is a sincere believer should remain, but the majority should be taken away. Keep yourself!

I am nothing, but our holy Prophet and heavenly Orders are trying to make people wake up, this is an *intibāb*, a warning, a warning to stand up. Which means: Don't lie on the railway tracks, because the train is coming and it will cut whoever it finds in its way. Wake up! But people are saying: "No, we are at rest here!" Uhhhhh ... Time is over!

May Allah forgive us! Use your minds and think about your position! Think: "What am I doing?" Think: "Who am I working for? For my Lord, His Pleasure, or am I working to make Shayṭān pleased with me?"

Look! Use that balance, and you should be safe, if not, you should be taken away. It may be that only a handful of people will remain, it doesn't matter. Allāh Almighty sent a flood at the time of Noah عليه السلام. At the time of that flood only a handful of people whose number didn't even reach a hundred, were saved and

taken in the Ark. And now, look, billions of people have come from those few people.

Now Allah Almighty is not sending a flood of water, but of fire! Every nation is preparing more power, more fire, to destroy everything inside and outside. There is no more mercy in their hearts, no justice, no mercy! They are going to finish! After they are finished Allah Almighty will send new ones! In a few years you should find this world full of believers who are saying: *Lā ilāha ill-Allāh ...*

[Sheikh is making a short Dhikr:] *Lā ilāha ill-Allāh, Sayyidunā wa Nabīyunā Muḥammadur-Rasūlullāh ...*

May Allah guide us on His enlightened Way to Paradise! Be patient, don't run in the streets, don't join those people, or you will bring your punishment on yourself! Curses are raining on those people who are running in the streets. I am sorry to say that Pakistani people who are Muslims, are running in the streets and shouting. I am asking, why? You are Muslims, why you are running in the street? Why don't you go to a mosque and say: 'Oh, yā Rabbī, yā Rabbanā, save us!' Why you are running in the streets and claiming that you are Muslims?"

Those people who have turbans and long beards, why are they doing this? That is politics. Politics is shayṭānic and everywhere it brings destruction. But people are running in the streets. Ya Hu, there are mosques, go and say: "Oh our Lord, save us!"

Tauba yā Rabbī! Yā Muḥawwila l-ḥawli wa l-aḥwāl, ḥawil ḥalanā ilā aḥsani ḥāl!

Yā Muṣliḥa ṣ-ṣāliḥīn, yā Muṣliḥa ṣ-ṣāliḥīn, yā Muṣliḥa ṣ-ṣāliḥīn, aṣliḥ shā'nānā wa shā'na l-Muslimīn, wa-nṣurnā 'alā l-qaumi l-kāfirīn, wa-nṣur Sulṭānanā, Sulṭāna l-Muslimīn, Sulṭāna l-insi wa l-jinn, Sayyidinā Mahdī, Aẓḥarabu-llāb – ajābanā allāb; 'ajjalabu-llāb – ajābanā allāb; ayyadabu-llāb – ajābanā allāb; akramabu-llāb – ajābanā allāb; 'aẓamabu-llāb – ajābanā allāb; bi jabi Nabīyyi l-karīm, bi ḥurmati l-Fātiḥah! ◆

The secrets of the trumpet on the Day of Judgement

[continuation from EP No. 42:]

SUCH WILL BE the second blowing of the trumpet. It will herald the signs of the Judgement Day. All life in the seven earths will perish at that time, all that is beneath the Divine Throne will become lifeless, as if it had never been.

Of all beings only eight angels will remain, these are the Muqarrabun, the angels closest to the Divine Presence. They are by name Gabriel ^{عليه السلام}, Israfil ^{عليه السلام}, Mikha'il ^{عليه السلام}, Izrail ^{عليه السلام} and four Throne-bearers. Allah Almighty will then command Izrail the angel of death to take the souls of those arch-angels as well, and He says to him:

'All that dwells upon the earth is perishing, yet still abides the Face of thy Lord, majestic, splendid.' (55/26)

Now only Izrail ^{عليه السلام} remains of all created beings, and the Almighty Lord asks him: 'Oh Izrail ^{عليه السلام}, who is left alive?' And Izrail ^{عليه السلام} answers Him: 'Oh my Lord, Thou alone and Thy weakest slave are left.' Then the Lord Almighty says to Izrail ^{عليه السلام}: 'Have I not spoken in the Holy Qur'an: *All that dwells upon the earth is perishing, yet still abides the Face of thy Lord, majestic, splendid.*' (55/26)

Hearing these words, the angel of death also takes his own soul and tastes death at his own hand. Thereafter not one living soul remains. In all the heavens and the earth there is only the Oneness and Unity of the Almighty Truth. In this state the world remains for forty years, not one creature is alive, breathing, moving nothing at all.
