Adam and Eve

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQQĀNĪ, Lefke, Cyprus

Sabbat from 24th of Dbu l-Ḥijja 1428 / 2nd of January 2008

Welcome! Welcome to you! *A'ūdhu bi-llābi mina sb-sbaitāni r-rajīm, bismi llābi r-rahīmāni r-rahīm.*

Lā ḥawla wa lā quwwata illā bi-llābi-l 'aliyi l-'azīm.

We are asking for forgiveness from Allah Almighty, because the whole world is on the wrong way! The wrong way is Shayṭān's way, and Allah Almighty's first warning was to Adam when he was in Paradise ... – *dastūr, yā Sayyidī, ya Sulṭānu l-Awliyā'*. He was the first man, Sayyidinā Adam, in Paradise, our first father, with Hawwā', Eve, *'alayhim s-salām*, and Allah Almighty granted them everything without asking anything from them as a payment. Free! He created us, and that is our Lord's biggest blessing, biggest Ikrām, Grant, to us. We were not in existence and He created us, and He pre-

pared Paradise for the first man and first woman, *subḥānallāb*. He granted them from His divine gifts, Ikrām, and never asked anything in payment. Free! And Allah Almighty said to Adam and Eve: "This Jannatu l-Adin, Eden, is for you! You are free. Eat from its fruits, drink from its rivers, enjoy yourself. And you are here. Only as your Lord and Creator I am asking you to listen and obey Me. The whole of Paradise is for you to enjoy yourself as you like. Only there is one tree on which I am putting a ban, it is a forbidden tree; as I am the Lord and Creator I am ordering you: You must not approach that tree and you must not taste its fruits! I am not asking anything else from you, enjoy!"

And at that time Allah Almighty also warned them: "Oh Adam, when I created you I gave to you from My holy Spirit and dressed you

in such an honourable dress that I had never dressed on any other creature. I dressed you and crowned you as My Khalifa, and you are shining with My Divine Lights. And I ordered the Angels: ‘Bow to Adam, make Sajdah to him,’ and you remember that all the Angels bowed except one ... You must know that that one is your most dangerous and terrible enemy. Beware of that one! I am giving you every protection, but that one is such a dangerous enemy, trying to reach you and make you fall into a dark area! To take you away from heavenly Lights and the crown of being My Deputy, and the glorious and honourable clothes that I have put on you. His aim is to take these from you and to make you like himself. Beware!”

This was Allah Almighty’s warning to Adam and Eve. He was addressing Adam, not addressing Eve, no, because Adam, because man, is powerful, women are weak. Therefore you must, everyone must take their lessons from Allah Almighty’s first warning. Allah Almighty was addressing Adam, not Eve! And that was the first warning from Allah Almighty. And then so many things happened because Sayyidinā Adam ﷺ listened to Shayṭān – not directly, but through Eve!

This is a big lesson today that we are sending through East and West. What is the reason that people are falling now into such a terrible position, what was the seed of these troubles? That Shayṭān reached Adam not directly, but through his wife, our first mother.

“How can this be? We may taste ...! You can do it ...!” She was coming from one side: “Oh Adam! Oh my Darling! How will it be, what will happen? We must try, oh my Darling!”

Then she was coming from the other side: “Oh my Darling, only a taste ...!” *Tauba, Astaghfirullāh!*

Adam, *‘alaybi ṣalāt wa salām*, was 60 yards tall, not like you ... She said, “I can see that you are not very happy, but I am. Let me have only one bite! If anything happens then you don’t have to eat.”

Then she took a bite. *Lā ḥawla wa lā quwwāta illā bi-llābi-l ‘aliyi l-‘aẓīm*. She took a little bit, one bite, and then she gave it to Adam.

“... *Wa ‘aṣā Ādamu rabbahu faḡhawā*” [20:121] *Astaghfirullāh!* Allah said: “Yā Adam, what have you done! You are not obeying My Order, you are putting it under your feet! And now you can’t stay here! You, all of you, quickly get out!”

Their honourable dress fell down and they were naked. They ran this way and that to try and cover themselves – but no tree in Paradise would give them anything, only the fig gave them something to clothe themselves.

“Out quickly! Oh Angels, send them to earth!” And in Paradise they were in Lights, heavenly Lights, ohhhh... ! “Land them, all of them!”

Adam landed in one place and Eve in another. “Shayṭān also! Send Shayṭān down, don’t let him go around in Paradise!”

And the Angel, the guardian of Paradise, who opened the way for Shayṭān to enter, was ordered to be a snake, a dragon. “Throw all of them down to earth as enemies of each other!” All of them were kicked out and the door was closed ...

You can’t find the cost of ignoring Allah Almighty’s warning. You can’t say what Adam and Eve lost! *Subḡānallāh*, glory to Allah! Glory to Allah, He is Allah, we are servants! The first lesson that Allah Almighty gave to Adam and Eve, “You and your wife are My servants, I am your Lord, you must listen and obey Me! I am the Lord of Heaven! No one may say anything against My Will and Order. I don’t like it! Go down!”

Allāhu akbar! Astaghfirullāh! Astaghfirullāh, yā Rabbi! Then Adam and Eve, when they came together, took their lessons and ‘graduated’. And they were saying to their children: “Oh our Children, beware of Shayṭān! We were in Paradise, but we didn’t obey the warning of our Lord and then, as a punishment, we were thrown out.”

Adam stood on one foot for 300 years, crying, in Ceylon, Sri Lanka, Serendip. He stood up and asked forgiveness from Allah Almighty, for 300 years crying, crying. And Allah Almighty created precious stones from his tear drops.

Then Almighty accepted his repentance, *tauba*, and gave His Blessings to him and said: "Oh Adam, I am not throwing you out of Paradise forever, no, but I am sending you and your sons away until the Last Day. My Warning will continue through some of your sons who I will dress in the heavenly dress of prophethood and sainthood. My warning should continue up until the Last Day, so that those who heard My Warning and obeyed should find their way back to My Paradise. You should go there! If they do not take care I will send them where I am sending Shayṭān!" That is what has happened since Allah Almighty's first warning. Up until today some people have come and warned about Shayṭān.

Now even religious people, who dress in religious clothes, are not able to say to people: "Beware of Shayṭān!" Because Shayṭān is now everywhere in power. If they have a vote, a hundred percent of the time Shayṭān is the winner. He is in power! Now on earth shayṭānic power is everywhere, nothing else! If you say anything, uhhh! ... they will take you away!

Only those who have been dressed in heavenly protection need not worry. But other people should be taken away. Now in power: the party of devils! In power everywhere! If you say this they should be very angry. I am saying: "You are not giving me money, no, I am free to say this!"

The most important party, the most powerful party, which is winning a hundred percent in all elections is the shayṭānic party! Everywhere! But they are saying: "No, we are not a shayṭānic party, we are just an ordinary party." But everywhere the shayṭānic party is in power. Graduated by Shayṭān! *Tu on*

Shayṭān and on his party! True? If you don't agree, you are going to be with his party also! *Tauba, astaghfirullāb! Yā Allāb!*

May Allah change it! Do you understand my English? Okay. Shayṭān just made a declaration two days ago: "I am ordering, oh mankind, who is living on earth and I am your Emperor – to prepare themselves for New Year's Night! I am ordering you to prepare yourselves for the celebration of 2008!" – "Hah?!" – "If anyone opposes My Order they should find themselves in a very bad situation! I am going to cut them off from everything which I am granting them, oh mankind!" And people ask: "What is your order, oh our Lord?" And he replies: "You must use my urine! That night is free to get drunk! All of you must be drunk! I don't accept that anyone on earth, East and West, North and South, should not be drunk! And the secret power of drink is coming from my urine!" *Tauba, Astaghfirullāb...*

I was tired, lying upstairs until *Zubr*, but now I am becoming stronger. Yes, Sir! This is our situation and then, if we are going to continue, if they give permission, I may speak on that subject, because I have graduated in that subject the first one on earth. I may continue up to next New Year for them – another urine from Shayṭān to them ...!

May Allah forgive us! O people, beware of Shayṭān!

Astaghfirullāb! „Qāla rabbī, innī a‘ūdhu bika an as‘alaka mālaya lī bibī ‘ilmun, wa illā taghfirli wa tarhamnī akun mina l-khāsirīn.“ [11:47] *Amān, yā Rabb!* We are weak servants, *adriknā, yā Rabbanā!* Shepherds on flocks, they are wolves ..., in German? Wölfe. *Yā Rabbī, Anta l-Mubaddil, Anta l-Mumakkin!*

Asta‘idhu bi-llāb: „Wa ‘ada-llābu lladhīna āmanu minkum wa ‘amilū ṣ-ṣāliḥāti layastakblifannabum fi l-arḍi kamā astakblafa lladhīna min qablibim, wa layumakkinannalabum dynabum lladhī artaḍā labum wa layubaddi lannabum mim ba‘di kbaufibim amnan, ya‘budūnanī lā yushri-

kūna fī shay'an, wa man kafaru ba'da dhālika fā'ulā'ika humu l-fāsiqūn." [24:55]

That is a Holy Verse, Holy Ayat, giving fresh power to my heart, because that is good tidings from the Lord of Heaven! Even now people think that everything is in their hands, under shayṭānic power, but Allah says: "I am promising believers that once again, before the Day of Resurrection, I will give all power to believers, Muslims!" That must come!

That is giving me power, or I would like to die instantly ... but I am asking to reach those days, and all of you to reach those bright days where heavenly power everywhere is covering people, giving pleasure to them, giving honour to them! Because Shayṭān is putting man under his feet, some people under the feet of other people, and *ẓulm*, oppression, is covering the whole world. – May Allah take it away quickly!

Therefore, now I am looking at the coming new year. Next week it is going to be the beginning of our new year, Muḥarram. And before Muḥarram, the last day of Dhu l-Ḥijja, should be on Tuesday, when 1428 is finishing. The first day of the year 1429 will be on Wednesday and we hope that something, some power, will come to Islam, to true ones! True ones! And you must try to be Defenders of Truth! Defenders of Truth, Haqqānī! We hope that Haqqānīs should be happy in this year, and that *Bāṭil*, false regimes, should come down and Truth Castles should rise up and their flags of Truth should fly in the skies.

And it is from Sunnah to fast on the last day of the passing year and at the beginning of the new year and the Prophet is giving good tidings that if anyone fasts on the last day and the first day of the year, it will be as if they fasted the whole year.

May Allah forgive us and send us what we are hoping for ... *Fātiḥa!* for the honour of the Seal of Prophets ﷺ.

I was not thinking of saying anything, I was so weak, but they have made me address you

in such a way. It is not something from my own thinking, no, it is coming directly in a channel from Heaven to our Grandsheikh and he is giving it to me.

Sheikh Adnān Efendi is sending his Salāms. I was a little bit late, but just as I was coming for prayer, he rang me. He is a Quṭub, and Sheikh Hishām Efendi is also a Quṭub. He said to me that he is with me. Sheikh Adnān Efendi was on Ḥajj, and everyone ran to him and kissed his hands and said: "Oh Sheikh Nazim!" "Ya Hu, Sheikh Nazim? Not Sheikh Nazim!" "No, you are Grandsheikh!" They kissed him and asked for something from him. He was saying: "What can I give you? If I give you something from my clothes piece by piece, I am going to be naked!"

Thousands of people were coming to him, because he is dressed in greatness, *heybet*. Adnān Efendi, *mā shā' Allāh!* There are seven big ones, *Isbraqiūn*, and the first one is Sheikh Adnān Efendi. May Allah bless him. *Amān, yā Rabbī. Fātiḥab ...*

In Lebanon, ohhh! '*Awāṣif, tbulūj*, rains and snow and storms. Uhhh! Tripoli, I like that place, it is a holy place, a powerful place, with the Baraka of Shamu Sharīf, Trablusi Sham. I was there first in 1944 when I was 22 years old. *Allāhu Akbar, Allāhu Akbar, lā ilāha ill-Allāh, wa Allāhu Akbar, Allāhu Akbar wa li-llābi l-ḥamd! Ilā ḥaḍrati n-Nabiyy ...*

For the appearance of the Ṣāḥibu z-Zamān and Sayyidinā 'Isā ﷺ, for the fall of the tyrants, the victory of the Ahlu l-Islām and the opening of the world for Islam: *Fātiḥab!*

Allāh Allāh! ◆
