We Must Change Our Ways

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQ QĀNĪ, Lefke, Cyprus,
Sohbet from the 13th of *Sba'bān* 1429 / 14th of August 2008

As-salāmu 'alaikum! A'ūdhu bi-llābi mina sb-shayṭāni r-rajīm, bismi llābi r-raḥmāni r-raḥīm.

You must teach your descendants first about the worst and most dangerous enemy of mankind, of the Children

of Adam, after teaching them, “Say: Allah, Allah, Allah ...”

Whoever says in their first words the Holy Name of Allah, we hope that at the end of their lives the last word coming from their lips should be “Allah, Allah, Allah ...”

We must change our ways! From A to Z for Europeans, for Muslims we must change everything from Aliph, Ba, Ta up to Ya. If we are not changing, all people living on earth will be destroyed! They will destroy each other. Heavenly Curses are approaching! You must leave *kufr*, unbelief, you must leave the wrong way, you must leave the Kafars’ habits! We must change what we are wearing, eating, doing, reading – everything! We must change everything! All homes have become homes of Nimrods, we must dismantle them! *Arḍu-llābi māsi*, Allah Almighty’s earth is so big, why are you making one home on top of another? Why? Angels are calling those people and saying, “Why, son of Adam? What is the reason that you are making your buildings higher and higher? Are you following the way of Nimrod? Are you claiming to be a Nimrod?” He was building such huge towers, particularly the tower of Babylon. Why? He said to his Prime Minister – all Prime Ministers much change their ways also – „Oh Haman, build for me a huge tower! I’d like to go up and look where that Lord of Abraham’s is!”

Bismi llābi r-raḥmāni r-raḥīm, bismi llābi r-raḥmāni r-raḥīm. People who forget “*bismi llābi r-raḥmāni r-raḥīm*” will be forgotten! Whoever has been forgotten, will receive curses from Heaven and those curses are not like the curses coming to the people of Nimrod, Qaum Nimrod: the Assyrians and the Chaldeans, famous tribes.

They say that there are 4 big rivers which come from Paradise: the Dajlāh, which is

the Tigris, Euphrates, the Nile Mubarak and one more, Amu Derya, the former Oxus-River. Therefore the Egyptian people left Shari‘atullāh, taking away their Malik, Sultan, and accepting a representative of Shaytan. And who was the one before him? Lenin, Stalin, both of them, and Mao – they were representatives of Nimrod and Shaytan. Shaytan came to Egypt through Abdul-Nasir, who brought Communism there, and that was the worst system for the Egyptian people there taking away what Allah had sent to the people, bringing the pillars of the Sultanate of Shaytan.

Our people did it; Arabs were following them and those who started it and those that followed them are all cursed! Iranian people are also under a curse – they say, “We have so much power.” But there is no republic in Islam, no parliament in Islam, no government cabinet. – Sometimes I am hearing when someone wants to go to the toilet they say, “I am going to the cabinet ...” Have you heard it? – All of them now are not able to do anything for Allah till they return to Shari‘atullāh which came from Heaven.

If they are not returning, curses will continue come to them. I am very fearful of this new year, the new year according to the Hijri, pilgrimage calendar. There is an Islamic calendar and it is okay. Other calendars have no base, no strong base. Everything is being changed now as in Christianity according to what Shaytan is saying to them and that European calendar has no value, no. But the Islamic calendar is on a strong base. What is that strong base? The Seal of Prophets was born in unknown deserts and grew up there. Europeans are no mind people and Christians more than them. It is forbidden for Non-Muslims to look at the base of Islam.

I am asking sometimes, “Oh people, what does your mentality say if we are saying

something about Venus? We may say, ‘On Venus there are such high mountains and oceans and this and that ...’ I am addressing NASA. It is not really NASA, but it is NASIA, from “*nasiya*”, “*nisyian*”, forgetting, to forget ... Therefore we are saying that NASA people have forgotten everything which came from Heaven. I am asking: “What is your opinion if a person says, ‘There is something on Venus’ and you accept saying, ‘Yes, yes, yes ...’ and then I say something about the moon, about the full moon, and you say, ‘We don’t accept?’” Is that their mentality? Are Europeans’ and Christians’ and Non-Muslims’ mentality in such a way?

Who is the nearest to our time? Sayyidinā Muḥammad ﷺ! You are accepting something from 4.000 years ago, the names of Prophets. You believe in them even though only their names remain in your books – and there is nobody left who follows them, no. And you are looking at the full moon, Sayyidinā Muḥammad ﷺ, whose way two billion people are following, and still you are saying, “You are not a Prophet”! *Māshā’ Allāh*, what kind of a mentality is that! I am fighting them! I know their names, they know my name, but my pencil is writing something which can’t be turned back! All nations are responsible now, because they don’t think about it!

Jesus Christ is a Prophet – peace be upon him – and 600 years after him there came another Prophet whose name is blessed and there were good tidings about him. He was sent to all the nations and you say, “He is not a Prophet”? Who should be a Prophet now?

Where is Jesus Christ’s gospel? We are not asking about the gospel of Mark, of John, of Matthew or Luke.

Once I went to the biggest bookshop in London where every kind of book can be found. I entered the part that was for Chris-

tian books and I said, “I am asking for the gospel.” “Yes, Sir!” Quickly they brought four books to me. “What is that?” “That is the Gospel of Luke, this is the Gospel of Matthew, this is the Gospel of John and this is the Gospel of Mark.” “I am asking for the Gospel that was sent to Jesus Christ!” “We are sorry but this is our Holy Books ...” Finished! There is no need for them, because the gospel didn’t come to Luke or Matthew or John or Mark, no, the gospel came to Jesus Christ. You may say, “He is the son” or other things, this doesn’t matter for me. But I am asking: If Allah Almighty sent Jesus Christ to save nations, what did he bring with him? The holy book of Matthew? John? Luke? Mark? How can you say this to me, how can you call me like this to be a Christian? The Lord of Heaven sent Jesus Christ and sent him the Gospel – where is that Gospel? Finished! It is like a spring which has a tap, but there is no more water coming. They are putting 1, 2, 3, 4 pipes – but not even one of them is running!

My speech is to the whole world! Sometimes I am nothing, zero behind one. But sometimes they are putting me in front of one, at that time I am something! I am weak, I have one leg in the grave, but no one can refuse my words, no one can defend those wrong ideas! Even though now Christians, Muslims, Jewish people have big foundations for their religions, I can see that none of them can give anything to our spirituality. We are hungry and thirsty!

Dunyā is nothing! The Pope must think about what has happened through 2000 years of other Popes! Jewish people now after 15 centuries still do not want to say, “Muḥammadun Rasūlullāh ﷺ.” Why? Is anything wrong? Is anything wrong with the Holy Qur’ān? Say if there is! Before the morning comes they will lose their heads!

Now is a very terrible time and heavenly Powers will be used and people will be taken

from the earth as were the Children of Israel when they did something wrong. Allah Almighty ordered some of them who had done that wrong action to be killed. Therefore now so many people who are not coming to real belief, real Islam, should be killed by each other. May Allah forgive us!

Oh people, come to yourselves! And we are speaking about our new year, the spiritual new year in Islam, beginning from the Holy Night, the 15th of Sha'bān Mu'azzam – not tonight, not tomorrow night, but after tomorrow night, the Night of Saturday reaching to Sunday. What is going to happen throughout this year up until the next Laylatu l-Barā'a, the holy Night of Barā'a? Everything that has been written by the Will of our Lord, our Creator, should appear.

Keep yourself! Keep yourself! No one can escape from heavenly Revenge! It will come and find them! May Allah forgive us!

Prepare yourself for that night! Anywhere that you may be pray to Allah! If you can pray a hundred Raka'āt that night, Allah Almighty will give to you what is best here and hereafter! Try to be the servant of your Lord! That is the teaching of Islam and I don't think that other religions are saying that what I am saying is not true. Through all Holy Books it is written, "Oh people, remember that you are servants!" May Allah forgive us and accept our prayers ...

Fātiḥah.
