## What Does it Mean to be A Muslim

MAULĀNĀ SHEIKH NĀZIM  
AL-ḤAQ QĀNĪ, Lefke, Cyprus,  
Sohbet from the 23rd of Ramaḍān 1429 /  
Tuesday, 23rd of September 2008

*Fā'lam annabu: Lā ilāba ill-Allāb ...*  
(Sheikh is making a short Dhikr) ...  
*Lā ilāba ill-Allāb*  
*Lā ilāba ill-Allāb ...*

*Sayyidinā wa Nabiyyinā wa Maulānā*  
*Muḥammadun Rasūllāb ṣalla-llābu 'alaybi*  
*wa sallam ... Allabumma, zid ḥabībika 'iz-*  
*zan wa sharafan wa nūran wa surūran wa*  
*riḍwānan wa ṣultānan!*

*Madad, yā Rijālallāb!*

**O**h holy ones, we are asking for  
your support! You are support-  
ing Heaven. Without your sup-  
port the Heavens would fall on people.

*A'ūdhu bi-llābi mina sb-shaiṭāni r-raḥīm.*

Oh our Lord, we are running away from  
Shayṭān to You, we are running away  
from Shayṭān's tricks and traps, because  
it is putting its traps everywhere.

*Bismi llābi r-raḥmāni r-raḥīm.*

Photo Bosnia, Yeni Osmanlar Berlin

You will be dressed with endless honour when you say: “*Bismi llābi r-raḥmāni r-raḥīm!*” The dress of Kings and Emperors will be like the dress of a worker in the sewers compared to this. Allah Almighty will dress you. When you say “*Bismi llābi r-raḥmāni r-raḥīm!*” you’ll be dressed in the dress of being His servant. When you say “*Bismi llābi r-raḥmāni r-raḥīm!*” you are showing that “I am a servant of Heaven”. Whoever doesn’t say “*Bismi llābi r-raḥmāni r-raḥīm!*” is saying that “I belong in the sewage! I don’t belong to Heaven, I belong in the sewers with the rats that run in it.” Whoever doesn’t say “*Bismi llābi r-raḥmāni r-raḥīm!*” is saying, “I am one of those in the sewage channels.” People in those channels never see any light, they never smell good things, only dirty things. Therefore those people are going to be taken away; they can’t reach the holy Level of Heaven. They are rejected.

Therefore, oh people, say ‘*Bismi llābi r-raḥmāni r-raḥīm!*’ That is the sign of being a Muslim, the sign that you belong to heavenly Service on earth!

May Allah forgive us! *Lā ḥawla wa lā quwwata illā billābi l-‘aliyyi l-‘azīm!*

Oh our Lord, keep our feet on Your right Way! The right way leads towards the Heavens, the wrong way to Hell! Right steps lead to the Heavens and heavenly Lighted Areas, wrong steps take you to shayṭānic channels, the sewage channels where there is every kind of dirtiness.

Oh people, come and listen, come and surrender!

Some people are coming and saying to me: “Oh Sheikh, we want to go to Heaven, ... we would like to be Naqshibandi and be on the way to the Heavens, but without becoming Muslim.” Who has taught you that? Who is teaching you such foolishness? Who

has taught you those dirty words? Without Islam, how can you reach Heaven? Which Prophet said that that he wasn’t a Muslim? Was there any Prophet who said, “I am not a Muslim”? Without saying, “I am a Muslim”, how could they be Prophets, how could they be Messengers of Heaven? How can people be enlightened without becoming Muslim?

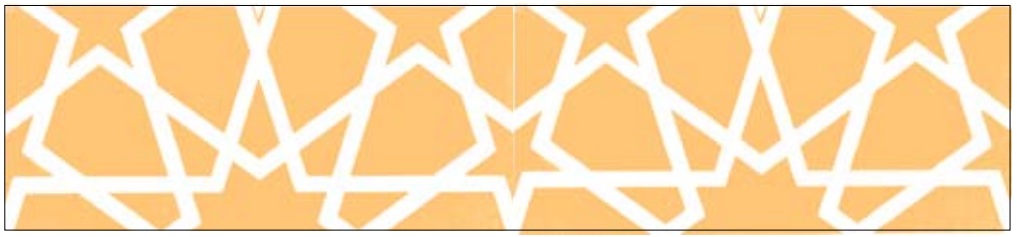

What is a Muslim?

They are never bothering to ask, “What does it mean?”, they only have an allergy. That word is making them allergic. They are saying, “Muslim? I can’t accept that!” Go to Hell! Without accepting Islam, how can you reach Heaven, how will you be able to enter Paradise?

They never ask what it means. But Shayṭān is working on that word, and they are never going to be happy with it. “I can be Muslim?” Yes, you must be a Muslim! If you are a Christian – Jesus Christ was a Muslim! Is the Pope a Muslim? If not, he can’t reach Jesus Christ! Hakam Bashi, the Chief Rabbi, if he is not a Muslim and he can’t enter Paradise, no, it is forbidden! “Stop! Checkpoint!” They are asking for your identity card ... “Muslim? Pass, go!” ... “Not a Muslim? ... Go back, go away!” ... Huuu!

They never ask, “What does it mean to be a Muslim?” ‘Muslim’ means someone who surrenders to Heaven! “*‘Aslamtu*: I am giving my own will to the heavenly Peoples’ Order. There is no will for me without their will! I am trying to be like them!” If you are trying to be like them, you must give your willpower, you must leave your willpower and you should be like them and you may pass! If not, no!

From where did democracy come to your country? Are you Pakistani? Did Allah Almighty send democracy or did He send the Holy Qur’ān, the Holy Sharī‘ah? Where are your ‘Ulamā’, learned people? What is that

foolishness? Turkish people as well, they say, “Democracy, democracy ...!” It is like milk, so delicious. People are spreading it on bread first putting on butter, then honey. Now democracy is like this for people. Therefore they are eating themselves ...

Allah says, “Oh My Beloved one! If they are going against My Holy Orders from Heaven, I will make them to be enemies to each other! And they should eat each other, they should kill each other, there will be no peace for them and no *amna amān*!” That means, it is forbidden for them to live peacefully; there is no peace for them, and they should always kill each other, and harm each other. They are saying, “This is the best way!” Congratulations, Pakistan people, democracy for you! And Turks – congratulations! Americans – congratulations! The people of Iraq – congratulations! Iranians are establishing democracy and claiming that they are Muslims – congratulations! Because you are going to Hell!

There is a group of people who are selling democracy to nations, but they themselves are not democrats. There is one nation who never say, “We are democrats”, but they say to other people, “Come and take this poisoned food! Eat this and you should find so much happiness and pleasure in yourself!”

As Shayṭān advised Sayyidinā Adam and Eve, saying, “Eat from this tree and you should be so happy! Without eating this, you can’t reach the top point of your pleasure. It cannot be complete if you don’t eat this! Eat and it should be complete, your pleasure in Paradise will be complete!”

And they ate and quickly Archangel Gabriel was taking the crown from the head of Sayyidinā Adam and Archangel Michael came and took his holy Robe, his glorious Robe. They took them and they became like new fashion people who are running naked. Modern people are so sorry, “Why are we not like animals? Animals don’t have anything – why are we dressing? We must try to be zoo-garden people like our ancestors!” The gorilla or the chimpanzee or the orang-utan ... Malaysian people, where are you? Do you have orang-utans? They look like that. People are saying, “Why are we not like animals, naked?” They are trying to be like animals; they never like to put any clothes on. And Allah Almighty dressed Adam ﷺ and his wife with a dress of honour. When he became disobedient it was taken away. And they looked to themselves, “Oh, we are so ugly!”

Clothes are giving people identity. Without clothes, how will those people look? So dirty, so ugly!

What are we saying ... Heavenly Dress is covering you. Heavenly Dress is covering your shame, but people are running after democracy, saying, “Democracy is giving us full freedom! Therefore we are trying to be like animals, doing everything without being ashamed. We are claiming that we have reached the top point of civilization!”

Oh people, surrender to the holy Commands of Allah Almighty so that He may give you a dress of Honour and crown you also like Kings of the whole world, of all other creatures.

But Shayṭān is making people not to be ashamed and not to think and not to accept any good thing that comes from Heaven. Everything that comes from Heaven is most perfect. When people don't accept heavenly Customs, they are appearing extremely ugly in the dress of Shayṭān. Therefore I am saying – Pakistan, Turkistan, Ajemistan, Afghanistan, Hindistan, Arabistan are eating themselves. That is their civilisation. Allah Almighty has given them honour and sent them heavenly Orders but they have left that and become the worst creatures on earth.

May Allah forgive us! Oh people, come and accept Islam, which means: To surrender to your Lord Allah Almighty.

“Oh My Beloved one, most beloved one, oh My most glorified glorious servant! If they don't listen to My heavenly Orders and run after their most dangerous enemy Shayṭān, I will make them enemies to each other, to kill each other and there should be no safety in their lives and no pleasure in their lives and no peace in their lives!” And now we are living in that time!

We are saying, “Democracy is the best” and we have abandoned the holy Shari‘atullāh, the holy Commands of Heaven and people now are killing each other, and doing every dirty thing and they have become very ugly and very dangerous. Who has ordered people to tie a bomb on their stomach and then to detonate it? Who has said this? Which Prophet said this to them? Did Jesus Christ say this? Did Sayyidinā Mūsā say this? Did Rasūlullāh – ‘alaybi ṣalātu wa salām – say this? Did Abraham say this? Did Noah say, “Kill yourself! Put explosives and kill yourself and others!”? What is that foolishness! Is that from heavenly teachings or shayṭānic teachings?

It is such a pity that mankind is on the wrong way! Therefore from five people one will live, and four are going to die ... People

are killing themselves ... The last and most terrible War which has been mentioned in Islamic books as *Melbametü l-Kubra*, as well as being mentioned in other holy Books before Islam as *Armageddon* is coming. From every five people four will be killed and one will remain.

Therefore, oh people, come to Allah! Run to His Prophets so that they can take you to Allah, to your Creator. Give to your Creator your highest respect. As much as you can give your highest respect! You should be in safety and under Divine shelter. If not, you know ... you know ...!

May Allah forgive us and send us quickly a person with a heavenly personality, who is able to stop people from falling into the worst position here and hereafter. Amin.

*Wa salāmun ‘alā l-mursalin, busūsan ‘alā s-Sayyidi l-mursalin! Wa l-ḥamdu li-llābi Rabbi l-‘Alamīn! Wa salāmu ‘alaikum! Fātiḥab ...*  
Oh, yā Rabbī!

*Allabumma ṣalli wa sallim ‘alā Nabiyyinā Muḥammad ‘alaybi salām, Ṣalātan tadūmu wa tubdā ilayh, ma‘ marri layāli wa ṭūli d-dawām ... Fātiḥab.* ♦

### Expected Paraclete

The Expected Paraclete will *inshā‘Allāh* be published 52 times a year by Spohr Publishers Ltd, Dali, Cyprus in connection with the new podcast with Maulānā Sheikh Nāzīm al-Ḥaqqānī »Before Armageddon« [www.before-armageddon.com](http://www.before-armageddon.com).
