

I am sorry to say that firstly Arabs are going against it. And they should know better because the Divine Inspiration came to them through the Seal of Prophets Sayyidinā Muḥammad ﷺ in their own language. And now no one is happy except Shayṭān and its followers.

Oh people! Come and listen to the Holy Orders of your Creator! Try to be obedient to Him, try to do your best for His creatures, particularly mankind. If you don't do that, day by day that fire will get bigger and bigger, and then heavenly Anger, if it reaches you, will burn everything on earth.

Sayyidinā Nūḥ was sent as a great Prophet to all nations and he was calling people for 950 years to obey their Lord and to try and be good servants and also good people to each other. But always they insisted to disobey, not to listen. Then Allah Almighty said, "Oh Noah! I am going to take them away and I am not going to leave anyone who refused to listen to My heavenly Orders and who didn't hear and obey!" And He sent a flood. Everybody were drowned – finished. Only a handful of people, who were in the Ark of Noah, were saved, because they were the only believers and obedient servants.

That is from history. Now it is the same; perhaps the people now are worse than the nation of Noah. They are doing every bad thing and Allah Almighty is warning them, "Oh people, oh My servants, beware of Shayṭān! Beware of your egos! Beware of Dunyā! If you don't take care, then I am going to burn you!" Allah Almighty is not taking a match to burn people, no! He is making people to start a big fire and they will try to finish everything on earth!

I am sorry to say this and I am asking forgiveness from Allah Almighty and I am asking humbly to our Lord to send someone as He promised us to arrange the life of people on earth! First Mahdī ﷺ, and then the An-

tichrist will come to make more trouble for mankind and then Jesus Christ, Sayyidinā 'Īsā, should come and kill him, taking away Antichrist and his followers. Then there should be a short time on earth when people are obeying their Lord and leading a silent, obedient life on earth, and then the Day of Resurrection will arrive.

Oh people, I am sorry about what is going on, I am not happy. But different groups among mankind are becoming disobedient, and Allah should punish them.

May Allah forgive us! *Yā Rabbī, yā Rabbī, afet! Yā Rabbī afet! Aṣlah lanā sha'nanā. Anta r-Rabb, Anta l-Ḥaqq, Anta l-Qādir wa l-Muqtadir. Qādiru l-muṭlaq, Qādir 'alā l-muṭlaq sensin, yā Rabb!* We are asking for Your Blessings and Forgiveness! For the honour of Your most obedient glorified servant Sayyidinā Muḥammad ﷺ.

As long as people are denying the Seal of Prophets Sayyidinā Muḥammad ﷺ trouble will never end and punishment will never stop. Come and believe in the Truth of the Seal of Prophets Sayyidinā Muḥammad ﷺ. Try to follow him and you should be sheltered and saved here and hereafter. Or you will be taken away, as people were taken away by the flood of Noah ﷺ.

Oh our Lord, *afwak wa ridāk! Ilābi, afwak wa ridāk! Aṣlah sha'nanā wa sha'na l-muslimīn, wa-nṣurnā 'alā l-qaumi l-kāfirīn. Bi ḥurmati man arsalta 'alayhi Sura l-Fātiḥah.* ♦

## Signs of Qiyāmah

MAULĀNĀ SHEIKH NĀZĪM AL-ḤAQQĀNĪ, Lefke, Cyprus,  
Sohbet after Jum'a-prayer, 5th Muḥarram 1430, Friday, 2nd of January 2009  
Message for Muḥarram

*As-salāmu 'alaikum!*

This is the first Jum'ah of the new month Muḥarramu l-Ḥarām. Forgiveness and support comes from Allah Almighty for the honour of the Seal of Prophets Sayyidinā Muḥammad ﷺ. Now we are seeing the Signs of Qiyāmah, the Day of Resurrection, and according to the Hijrah

year it is 1430. May Allah bless it for the honour of the Seal of Prophets Sayyidinā Muḥammad ﷺ and make Rasūl ﷺ happy for his Ummah. And his Ummah begins from the time of Sayyidinā Adam ﷺ. Rasūlulāh ﷺ was saying that from Adam ﷺ up until the end of all the Prophets there are holy flags for every Prophet which come un-

der the most honoured and glorified flag of Islam, and that is *Liwā'i l-Hamd*. Rasūlullāh said that “This is a great honour which Allah Almighty has presented to me.” And we are happy that we are from his nation. And his nation is the last nation, the last Ummah, and after his Ummah there won't be any other Ummah as Rasūlullāh ﷺ is the Khatmu n-Nabiyīn – *ṣalawātullāh wa sallim 'alaik*, may the most honour and glory be for him. As he said, “Mine is the last nation” and we have been honoured to be from his nation.

Oh people, oh people, you can see that everywhere there are problems, troubles and *zulm*, oppression. Everywhere. And that is because mankind has left Islam. Even Muslim nations have left Islam and are trying to follow Non-Muslim ways and so they are receiving their *ceza*, punishment. The Non-Muslims are being punished, because they don't believe in the last prophet who has been mentioned from the time of Sayyidinā Adam, the first prophet. He has been mentioned throughout history. All prophets were giving good tidings to their nations about him – and the Non-Muslim world is being punished because they don't believe in him. Muslim nations are being punished because they have left the Shari'a which was sent from Heaven. They have

Transcription Khairiyah Siegel

left those honoured Orders, heavenly Orders, and they have stopped following the Seal of Prophets and they are trying to copy the ways of Non-Muslims to be like them, so that punishment is also coming to them.

Oh people, if you want to be saved here and hereafter, come and follow the holy Orders of Heaven which we have been honoured with. If anyone runs away, no one will be able to save them.

Oh people, you are welcome here. From different places, from different countries you are coming here. Keep what has been said to you and try to follow the sheltered and protected way of Rasūl, the Seal of Prophets Sayyidinā Muhammad ﷺ, and you should be safe here and hereafter.

Oh people, keep the holy Shari'a, keep holy Orders! Don't let your children follow dirty ways! Try to be good servants for Allah Almighty, because the Last Day, the Day of Resurrection, is approaching. We hope that it will be in the Hijri year 1500 so that until that year we now have 70 years. Other signs of Qiyāmah, big ones and small ones, are going to appear, and the Day of Resurrection will arrive. Keep your faith, keep Islam, respect Islam, respect the holy Prophet!

May Allah forgive us for his honour, the honour of the most honoured and glorified servant in the Divine Presence Sayyidinā Muhammad ﷺ, *Fātiḥah*. ♦

# Dunyā is Coming to its End

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQ QĀNĪ, Lefke, Cyprus,  
Sohbet after Jum'a-prayer, 12 Muḥarram 1430, Friday, 9 January 2009

*As-salāmu 'alaikum! As-salāmu 'alaikum!*  
Welcome to you! *A'ūdhu bi-llāhi mina sh-shaitāni r-rajīm, bismi llābi r-rahmāni r-rahīm. Lā ḥawla wa lā quwwata illā billābi l-'aliyyi l-'aẓīm.*

[Maulana stands up in praise of the Prophet:] *Allabumma ṣalli wa sallim 'alā Nabiyinā Muḥammad 'alayhi salam, ṣalātan tadāmu wa tughdā ilayh, ma' marri layāli wa ṭūli d-dawām.*

**W**elcome to you! If our Masters are giving me an opportunity to address you – not just to you, but to the whole world – it will never end, even if we speak for one hour, one day, one week, one month, one year. But I am trying, as they show me, to remind you as far as you can understand, where we are now and where this world has reached: our world and our period on this world is going to finish. We are the nation of the last Prophet, the Seal of Prophets ﷺ, may Allah Almighty's Glory and Blessing be on him, Sayyidinā Muḥammad ﷺ.

We are living in a very difficult time in which we can see the Signs of Qiyāmah, and the Day of Resurrection is now approaching. And so many signs are appearing and finally everything will finish, perhaps in the 15th century. Now we are in the 15th century, 1430, Muḥarramu l-Ḥarām, a month which is respected and honoured by the Lord of Heaven through His last Prophet Sayyidinā Muḥammad ﷺ.

And it is mentioned in all Holy Books that when the Day of Resurrection approaches, so many bad things, so many cruelties are going to appear and people mostly are going to be unbelievers, followers of Shayṭān and

their bad egos. Our ego is always ordering us to do bad things; our ego is always against the Holy Commands of Allah Almighty. That is the reason that now everywhere oppressors are in power and they are trying to do every bad thing against mankind, to make them fall into Hell here and hereafter.

We can see that everywhere people are running in the streets, shouting and going on demonstrations. And demonstrations, all of them, are against heavenly Orders, the heavenly Orders of the Lord of Heaven. And Allah Almighty, the Lord of Heaven, the Creator, is warning, “Oh people, oh people! If you don't listen to Me and obey Me I will send a punishment to you from Heaven or I may send a punishment to you from under your feet. Or I will make you into so many different parties or groups of people that will come against each other and begin to fight and to do their worst to each other!”

Allah Almighty said to them, “Oh people, peace is best for you”, but Shayṭān says, “No, war is best for you.” And people are listening to Shayṭān, not listening to their Lord, therefore everywhere is now ... oh oh oh! ... under fire. Under their feet or over their heads is fire; there is killing, burning and destruction everywhere!

But people are still insisting to disobey the Lord of Heaven. Eh! If they carry on insisting, that heavenly Punishment will come to them, making them into different groups which will fight each other, killing, burning and destroying. And Allah is saying, “Oh people, try to be good, try to be good servants to Me, try to be good people to each other.” But no one is listening.
