## Rabī' al-Awwal, spring – new light, new life

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQQĀNĪ, Lefke, Cyprus,  
Sohbet after Jumu'a-prayer, ~ 2. Rabī'a al-awwal 1430, Friday, 27th February 2009

*Dastūr, yā rijāla llāb, madad. As-salāmu 'alai-kum! Ashbadu an lā ilāba waḥdabu lā sbarika llāb wa asbhadu ana Sayyidinā Muḥammadan 'abdubu wa ḥabībubu wa rasūlub ṣalawātu llābi ta'ālā 'alayhi wa sallim.*

*A'ūdhu bi-llābi mina sb-shayṭāni r-rajīm, bismi llābi r-raḥmāni r-raḥīm. Dastūr, yā Rijāla llāb, madad, madad, madad! Bismi llābi r-raḥmāni r-raḥīm.*

**Y**ou can see that trees in wintertime look completely dry for maybe three months or more. And then spring comes. But what is coming in spring? Can you look and see anything? No. But trees know and they are waiting for and expecting those Blessings which come from Heaven to earth. And we think that the trees have dried up and finished because there are no

leaves on them and no flowers and no fruits. So which thing is coming in spring? We can see nothing, but those trees and flowers and plants know that something is coming from Heaven to earth to give it its *zina*, its ornaments. Then we can see that the flowers and trees are awakening to a new life and that there is a new birth for them. And they are looking up to the Heavens. They understand that there is a new life coming to them, a new appearance, a new pleasure, a new light. They understand and they show the gifts of Heaven. You can put as much water as you like under those trees, but they won't give anything; they are looking and waiting for heavenly Breath, a breath from Heaven. That heavenly Breath gives light and life to them.

Oh people, don't think that I know something – I know nothing! But when heavenly Blessings come to the Seal of Prophets, it then runs to the heart of his followers, Awliyā', Saints. They are then sending that heavenly Breath and Blessings through open hearts and people are receiving new life in their hearts. When other people's hearts die and turn to dust those people's hearts never die.

Now we are trying to keep the holy Way of the Prophet, the holiest, most glorious, most honoured, most beloved being in the Divine Presence. That one, in whose honour everything was created by the Lord of Heavens and Universe, is sending that heavenly Breath to the hearts of those people, who are always occupied by their Lord's Dhikr. Their hearts are always asking to be with their Creator Allah Almighty and His heavenly Breath gives to such hearts new life. This is for those people, who are asking for and believing in Heaven and are trying to reach Heaven to be in the Divine Presence. Those blessings are only for those people!

Now we can see that every calendar on earth says that this is the 21st century but

Allah knows what is the real beginning of man's life on earth. Now they are saying that this is the 21st century according to their calendars, and in the Islamic calendar, which is based on reality, we are beginning a new month today, Rabi' al-Awwal, the first spring. When the whole of the world was dry and everybody was as dead, Allah Almighty in His Will sent His last Deputy, Representative, Sayyidinā Muḥammad ﷺ, to cover the last period of mankind's life on earth to reach them with his divine Breaths, to give them new life, to grant to them from their Creator, from the Lord of Heaven, a heavenly Breath. And this gave mankind a new life. As in springtime when that which is necessary for nature is sent from Heaven, Allah Almighty sent His last Messenger Sayyidinā Muḥammad ﷺ – huuu! – to give new life to His servants, so that those living in the last period on earth will be prepared to reach the Divine Presence on the Day of Resurrection.

He was sent to mankind and he did his best for them and he gave to everyone; he gave to every level of people as they were in need to prepare them to reach the Day of Resurrection in their Lord's Divine Presence. That was his mission!

We don't say as the Christian world says that Jesus Christ came and sacrificed his holy soul for man, no, that was not his mission! Jesus Christ's mission was only to give good tidings of the coming Prophet, who is the most glorious, most beloved and most honoured servant in his Lord's Divine Presence. Jesus Christ's mission was to give those good tidings!

And the Seal of Prophets' mission, that is Sayyidinā Muḥammad ﷺ – *dastūr, yā Sayyidī!* (here Maulānā stands up) – was to prepare all mankind and to give them their heavenly dress in order to reach their Lord's Divine Presence. That is *Muntaba* – the highest mission. From all of the Proph-

ets, the top mission was the mission of the Seal of Prophets – the most glorious, most honoured and most beloved being in the Divine Presence, for whom the whole of creation was made.

What was his honour? We are saying ‘the most honoured one’. With which thing has he been honoured?

The honour of the Seal of Prophets Sayyidinā Muḥammad ﷺ is coming directly from his Lord, the Lord of Heaven, the Lord of Universes, the Lord from pre-eternal until eternity. Allah Almighty’s honour, that was his honour! Nobody else reached that honour except him. And that which was given to other Prophets was also from his mission, the divine Lights of his glorious teachings reached to all the Prophets.

And now we have reached that glorious being’s birthday in the birth month of Rabī‘ al-Awwal. And now it is 15 centuries since he was born in unknown deserts, in an unknown area as an orphan from his father’s side and mother’s side. He was born in an unknown city in an unknown country among unknown people.

So many thousands of Kings and Emperors have passed away and they were so proud and did so many things; but their names remain on the unknown table of mankind’s Kings and Emperors. And the Seal of Prophets, who was born in an unknown desert, would also have died and passed away without anyone knowing about him if he hadn’t been supported by Heaven.

But now 15 centuries after that glorious being’s birthday do you think that he is an unknown person? He is living! He is not an unknown person, he is well-known throughout the East and the West, from the North to the South. In spite of the effort of every nation his flag is flying and his name is at the top point of Heaven and his holy name is well-known throughout the East and the West.

Some people accept him and glorify him, obey him and follow his heavenly divine Laws, but a second party, group of nations, know about him, but they are jealous. They may be jealous, and their jealousy may kill them, but the honour of the Seal of Prophets will always be like a shining sun in the skies!

Be proud, oh Muslims! Don’t think that technology gives people honour, no, heavenly Blessings give you honour! You must know this! Whoever receives heavenly Blessings will be accepted and honoured as servants in the Divine Presence. Others, who don’t accept him, are following the way of Shayṭān. Shayṭān never gives man honour, but tries to make mankind like himself.

And now mostly people are so proud to be with Shayṭān. They have left the right way of that most beloved and glorified prophet, who called people to Heaven, to their Lord’s Divine Presence. But Shayṭān is trying to make mankind like himself, like Shayṭāns. And now as TVs are showing 24 hours a day people everywhere are becoming like Shayṭān. And when mankind accepts to be like Shayṭān there is no peace here and no peace after death.

Oh people, oh people, be thankful to Allah Almighty and beware of becoming like Shayṭān. Because mostly 99 percent of people now are Shayṭāns, never following the Seal of Prophets.

Therefore Allah Almighty, the Creator, is leaving them to kill each other, to destroy each other, not to live in peace here or hereafter.

May Allah forgive us!

Oh people, ask for forgiveness! Ask for forgiveness for trying to follow technology in this time and technology is making people to be Shayṭāns.

May Allah forgive us and send us from His Divine Presence someone, who has

been promised to believers, to the Seal of Prophets' nation: "At the end of the world people should be among oppressors and tyrants, and they make each person to be like a Shayṭān."

Oh people, beware of becoming like Shayṭān! If you don't take care you should be unhappy here and after death. You should be in a very hard position with very difficult punishments in Hell.

May Allah forgive us!

Oh people, keep the honour of the Seal of Prophets and to keep his honour is to follow his blessed Way.

Oh Allah, *Subḥānak, subḥānak, subḥānak! Irḥam 'ibadaka ..., yā Rabbanā, kbudh bi aydinā, yā Rabbanā!* Send us someone who You promised would take our hand to guide us to You, to Your Divine Presence, to be clean, cleansed servants with peaceful faces and hearts, so that the Lord of the creation can say: "Oh My servant!"
