## Once the Khalīfa sent Ḥajāju Zālim

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQ QĀNĪ, Lefke, Cyprus,  
Sohbet from 26th of *Ṣafr* 1430, Tuesday, 20th of February 2009

*As-salāmu 'alaikum!* Mamnunin, are you happy? Any complaints? ...

Allah Almighty created man, He created man from nothing. Allah Almighty is creating. If His Divine Will wants to do something, to bring something into existence,

to create something, it is enough for Allah Almighty to say: “Be!” and it will appear. If He says: “Don’t be, go away” – finished: there will be no universes, no galaxies, no suns, no worlds, no planets, no man, nothing from creation. He is Allah!

Oh ignorant people, who are living in the 21st century, first you must learn, who created you! But you follow Shayṭān, and you don't ask "Who created me? Who brought me into existence?" This is a big mistake for mankind living on earth now. And they claim that "We have reached the top point of civilisation." No, you have reached the lowest level of creation!

Allah has given you the highest honour; He granted it to you and He is saying: "You are My deputy. I have created you, oh man, the sons of Adam, the Children of Adam, I have created you to be My deputies on this world." But the nations and people of the 21st century never think about this; they never say: "Oh our Lord, You have created us, we are thankful. All thanks, all glory, all honour and every respect is for You, oh our Lord, and we are making Sajdah to You. You are our Lord, You are our Creator."

Are they saying this? But a whip is coming. A whip is coming. Allah will say to the whip: "Take care of those thankless creatures, thankless mankind. *Adibbum*, teach them, train them, those who don't know My Rights. They never give Me their full respect and they don't appreciate My glory."

Once upon a time – as it is written in their history books – perhaps in the time of the Umarā', Amawayīn\* or 'Abbāsiyyīn ... – Don't use a scale for anyone. The scale is only for Allah! Don't say: "This is good, that is bad", leave the last judgment for our Lord Allah Almighty. –

At the time of one of those Amīri l-Mu'minīn there were so many troubles in Basra, Iraq; people were doing so many things which were all against Islam and they were trying to follow Shayṭān and not the holy Prophet's ways.

\* [countermovement against Imām 'Alī and Imām Ḥusayn].

News reached the Khalīfa, the Amīru l-Mu'minīn, who was in Damascus, about what was happening in Iraq, what was happening among the people. He heard that they were doing bad things to each other and that there was never any good dealing between them. They were doing everything that is forbidden in Sharī'atullāh and they were making *zulm*, oppression.

Then the Kahlīfa said, after the news had reached him: "I am going to send Ḥajāju Zālīm to those people. They have left the way of the Sunnah of the holy Prophet Sayyidinā Muḥammad ﷺ and I want to teach them how they should be. I am going to teach them the way of Islam: that they should be good people, that they should throw away Shayṭān and Shayṭān's scholars and Shayṭān's followers. *Li ajil ta'adib, yu'adibbum*. I want to teach them high characteristics and the best Adab, good ways, as Islam is ordering."

Then he sent from Damascus to Basra Hajāju Zālīm, who was a famous oppressor, *zālīm*. He sent him and he said to him: "Look after those people, who are living in Iraq; they are leaving the way of Allah and they are doing bad things against the holy Sharī'at. Go and look after them! *Adibbum!* Teach them how Islam should be!"

So Hajāju Zālīm, Hajāj the Oppressor went to Basra and when he arrived he went up the Mīmbar. He had a veil covering his face and he called: "Yā Ghulām, oh my servant, stand up. Stand up and read the Khalīfa's Khibṭāb, the Khalīfa's message to the people living in Iraq, in Basra."

And then that Ghulām, which means his servant, stood up and said: "Oh, *as-salāmu 'alaikum, yā Ablu l-Baṣrī*. *Had khibṭāb mina l-khalīfa*. *As-salāmu 'alaikum* to the people of Basra."

But no one answered: "*Wa 'alaikum s-salām*." No one said: "*Wa 'alaikum s-salām, yā Amīru l-Mu'minīn*."

Then Hajāju Zālim ordered his servant: “Stop! Oh people, I can see that you are such disobedient people, who don’t know anything about Adab. I am coming to teach you how you should be! I can see you are such dirty people, some of you eating others among you, making *fasād*.”

He was one person on his own and he said: “I am looking and seeing that all of you are on the wrong way; you are not keeping Shari‘atallāh, the holy Shari‘at. I am going to teach you how you should be! Yā Ghulām, oh my servant, read the KHiṭābu l-Khalīfa. I can see that so many of your heads need to be cut off. You are such bad people and your actions are outside of Shari‘at. Now I am looking and I will prepare for you a heavenly Punishment as we have been ordered to do.”

He was only one person and he said: “I am covering my face, I am not yet opening my veil so that you can look at me and see how I am. Read once again, oh my servant, read the KHiṭābu l-Khalīfa, Amīri l-Mu‘minīn.”

He came, stood up and said: “*Salām, yā Ablu l-Baṣrā, Ablu l-Irāq, as-salāmu ‘alai-kum.*”

Now no one was sitting; everyone, including the flies, stood up and said: “*Wa ‘alaikum s-salām, yā Amīri l-Mu‘minīn, as-salamu ‘alaikum, yā KHALIFATU r-Rasūlillāh!*”

They all stood up.

“I am coming to teach you good Adab *ma‘a l-umarā*, with your governments; how you must deal with people, how you must deal with Rasūl *ṣalawātullāh wa s-salāmu ‘alayh*, how you must be with your Lord Allah Almighty. I can see you don’t know anything; I will come and teach you. I will train you.”

He was one person alone, only one person! If Allah Almighty wants to do something, He may do it with one man, it is enough. “*Wa li-llābi jundu\** *s-samawāti wa-l-‘ard.*” Allah Almighty doesn’t need to send armies

against you; He can send – what is smaller than a microbe? – a virus against you. People know there are viruses, but has anyone seen one? Can anyone catch one? Can anyone defend themselves against a virus?

Oh people living in the 21st century, how are you so ignorant? Why don’t you think about these things? Your Lord, your Creator, is looking and wants to teach you, because you have left the holy Shari‘at. The first punishment is coming to all Islamic countries. They are running after democracy and not trying to keep Shari‘atullah.

I am talking first, I am permitted to speak to all people living on earth. I am not Hajāju Zālim, I am only a weak servant of my Lord, but I am authorized to warn the whole world, all people in the world. I am nothing, but the one who is making me speak is most powerful. And He is looking now at what you are doing and He is sending to you, oh people of this world, something to punish you!

This is not something which can be solved by the United Nations’ Assembly. The United Nations’ Assembly is against heavenly Orders. Heavenly Orders are very clear. I am sorry to say that so many – perhaps 45 – Muslim territories are not taking care of the holy Shari‘at. They should be punished.

I am nothing, I am zero behind One. But if they put me in front of One, I can do enough. One is enough. If Hajāju Zālim was enough to change people into good servants, we can do the same. I am zero and if the Lord of Heavens is putting me in front of One, then I can act. If He wants to make you that zero in front of One, you can also do it. But Allah Almighty does as He likes; *fa‘alu li mā yurid*: He does everything as He likes; no one can prevent Him. Allah! *Tā Rabbanā, yā Rabbanā, yā Rabbanā, yā Rabbanā,*

*irḥam dbullanā, irḥam dafnā ... bi jābi man arsalta ‘alaybi Surata l-Fātiḥab.*

I am a very old man, I am not hoping for anything from the world now; I am only warning people. Anyone who listens may benefit, if they don't listen their heads will become ... People now are very happy to play football. At that time heads will be used instead of a football. This is a very strong warning, oh people!

May Allah forgive me. "Forgive me!" I am asking for forgiveness. You ask for forgiveness! Say: "*Astaghfirullāb, astaghfirullāb, astaghfirullāb, tubnā wa rajā'na ilayka, yā Rabb. La tadriknā, yā Rabbanā*, oh our Lord, don't leave us on the wrong way! Make Your good servants collect Your people on the right Path."

*Bi jābi man arsalta ‘alaybi Suratu l-Fātiḥab.*

I am weak, but they can make me speak up until next week. It is okay, but our size, our capacity, is very small, therefore I am only addressing all nations, all mankind, all the children of Adam, so that their attention doesn't fall, doesn't fall into Hell. I would like people to be happy in Paradise. I am sorry to see all mankind running towards Hells and nothing else.

*Fātiḥab ...*

Tired? Tired, oh *abmaks*, foolish people?

*Allabumma ṣalli wa sallim ‘alā Nabiyyinā Muḥammad ‘alaybi salām, ṣalātan tadūmu wa tubdā ilayb, ma‘ marri layāli wa ṭūli d-dawām*
