

Last Chance For Humanity

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQQĀNĪ, Lefke, Cyprus,
Sohbet from Sunday, 31st August 2008, the last day of *Sha'ban Mu'azzam* 1429

Madad, yā Sulṭānu l-Awliyā', madad, yā Rijālallāh!

Allah Almighty speaks in the Holy Qur'ān to all nations: "*Wa dbakkir fa inna db-dbikrā tanfa'u l-mu'minīn!* [51:55] You, oh Muhammad ﷺ, the most glorified and most honoured being in My Divine Presence, remind My servants", because that may give some light to them so that their ways will be clear and they will know where they are going. That is a heavenly order from Allah Almighty.

Now we are getting close to holy Ramadan, the fasting month, the most glorified month from all of the 12 months. Tonight is going to be the first night of the holiest month of the year, Shahru Ramadan, the holy moon of Ramadan. Tonight believers are going to pray 20 Raka'āt in the Tarawīh prayer, and tonight, inshā' Allāh, we will intend to fast tomorrow according to the holy command of Allah Almighty. This is our intention and we are asking Allah Almighty to give us enough strength to keep

وَذَكِّرْ فَإِنَّ الذِّكْرَى تَنْفَعُ الْمُؤْمِنِينَ

the Holy Order to complete the 30 nights of Tarawīh. And this year Holy Ramadan will have perhaps 29 or 30 days.

Oh our Lord, yā Allah! *A‘īnā maqdūra* – grant us the benefit of being able to control our egos!

The biggest curse is on people when their egos are on top of them. The biggest mistake for man is to let his ego be his commander – I am not saying ‘Sultan’. To be under the command of their ego that is the biggest curse for a person. When you make your ego commander over you, the cursing goes on forever and is never ending!

Ramadan gives people a chance to leave their egos and to fight their egos and to be able to control their egos.

Subhānallāb, Subhānallāb! People now are running in the streets everywhere! In the East, in the West, everywhere. People are saying: “We don’t like that Prime Minister”, “We don’t like that government”, “We don’t like that Sultan”, “We don’t like that President” – but no one is thinking to say: “We don’t like our egos to be in power!” Everyone is so happy, no one says: “My ego is not good! I must bring it down and give heavenly power to my soul so that it will look after me.” No one! No one! Everyone is so happy to be under the emirate of their egos, to be an obedient servant to their egos. No one is asking to fight and put their egos down and give power to their spirituality. Everyone is giving power to their ego – so how should mankind, the Children of Adam, be happy? They only want to burn themselves, nothing else! They are preparing for this, because their commander is

their ego and that is the representative of Shaytan and Shaytan is ordering their egos: “You must kill, you must burn, you must take everyone else away and be the only one on earth! Don’t give a chance to anyone else!”

Therefore everyone now is cursed! If people don’t change their ways that curse will take away four people from every five so that only one will remain. If the population on earth is 5 billions, 4 billions are going to die and one will remain ... (Here someone sneezes and the Sheikh says: *shabida l-haqq!*) It is a very terrible time now, therefore I have been ordered to remind all nations.

There is no honour when a man kills a man! It is not honourable for a man to burn a man! It is not honourable for men to destroy countries!

They don’t even have the right to kill an ant, because an ant has a right to live. You can’t kill it! You may say: “Oh my Lord’s creature, leave and go!” That is a heavenly order and it will never give you any harm. It won’t bring you any harm. Now man is becoming such a tyrant, killing everything, trying to kill everyone.

Therefore Allah Almighty is sending such creatures which they can only feel, but which are impossible to see or do anything about: viruses! Can you see them? Can you touch them? Can You do anything against them? “*Wa kbuliqa l-insānu da‘ifa*” [4:28]” But people are running to fire! They hear, listen and obey only Shaytan’s commands.

This Ramadan now has just arrived and it is the last chance for humanity to take hegemony from their egos, to take the power

away from their egos and to give spiritual power to their soul! Don't cry about what happens to them if they don't do this. Billions, not millions, are going to die! Fasting is fighting against your ego, taking power from your ego and giving it to your soul, your spirituality. If not you will go also!

This is what we are saying! And you are a handful of people here. I don't know if something is going to happen in holy Ramadan, but after Ramadan I think that there should be something! For holy Ramadan maybe the Heavens are delaying the punishment and Allah Almighty is looking at what His servants are doing and the holy Will of Heaven will come to pass in Shawwāl. When it comes into act, it is not going to stop until heavenly revenge reaches all nations who are making their egos their commander and are not obeying the orders of the Sultan of Heavens!

Therefore, I may say to those, who want to come here, what the Prophet ﷺ said on the day of conquering Mecca Mukarrama: "Whoever is going to the Holy Ka'ba it will be a shelter for them. Whoever goes to that house will be sheltered. And anyone, who goes inside his own home and closes the door, he is sheltered also." So I am saying now to all our visitors who are coming:

You must be prepared! You may be here for 3 days, one week, or ten days – but you must prepare yourselves to reach your homes! Here is not a sheltered place for all nations! Therefore we are saying to people as we have been ordered:

Everyone in this holy Ramadan must hurry back to their homes and their children and do what we have said. They must close their doors and only come out for their obligatory duties and things that they must do, otherwise they should stay in their homes!

I don't want anyone to move now from Europe, from the East, from the West,

America, Australia ... and come here! Because this island may be closed and no one will be able to leave here! They should be in a difficult situation – part of the family being here, part of the family being there ... I have been ordered to warn people!

If the Duniyā stayed as it was it wouldn't matter, but the Duniyā is not going to continue in such a way! All nations have lost their minds and mentality; they don't know what they are doing, they are only following shaitanic orders! Therefore I am not responsible! I am saying: "Anyone, who has finished their visit, must hurry to go home and keep themselves there and they will be a shelter for so many people!

May Allah forgive us for the sake of the holy blessings of Ramadan! For the most honoured one in the Divine Presence, Sayyidinā Muḥammad ﷺ, may Allah forgive us! *Bi ḥurmati l-ḥabīb, bi ḥurmati l-surati l-Fātiḥah!*

Whoever is not fasting and praying and obeying – cursed arrows will hit their heads and no one can save them ... ♦

Evil-Sellers or -Buyers

[Continuation from EP No. 88]

And people are also sellers and buyers of evil in this big market, dirt-market, evil-market. From East to West, in every place you may put your foot, you can find evil; everywhere you may spread your hand you can find evil; everywhere you may send your gaze you can find evil. We are living in a life or in a world that is full-up with evils, because the Children of Adam are not supporting the kingdom of the Lord, Allah Almighty, but they are supporting the kingdom of Satan on earth.

Now, you must look to yourself; everyone must look to himself. You may say, 'What can we do?' Yes, you can do something. When Nimrod wanted and intended to burn Abraham, peace be upon him, he made a big fire, and its flames and redness could be seen from Damascus, although it was near Baghdad – so big, so gigantic a fire. Only one stick of wood is enough to burn a man, but Nimrod made a gigantic fire because he represented Satan and his kingdom, and he wanted to burn the Kingdom of Haqq, of Truth, the kingdom of the Lord of the Heavens and worlds; for that reason he made such a big fire. And traditions coming up to our day say that a little ant was running toward the fire and in its mouth it carried a small drop of water. It was seen and was asked, 'Where are you running?' And it said, 'I am running to take away the fire of Nimrod. I am carrying water to save Abraham, the Friend of the Lord, Almighty Allah.* And Allah Almighty rewarded that ant; it is mentioned in holy books and in the Holy Qur'an** and Allah Almighty made that ant enter into Paradise.

Look, oh believers! Don't say, 'What can I do?' Don't be an evil-seller or -buyer. You must open your eyes, your mind, your heart.

* See Holy Qur'an, IV:125. Abraham and the fire of Nimrod is mentioned in XXI:68-69.

** A reference to Surah Naml, the Chapter of the Ants, (XXVII:18-19), in which ants are mentioned.

And you can't open your eyes and your mind and your heart without believing. You must believe and you must be able to refuse the kingdom of Satan on earth. That is the most important duty for us now in our time. You can be like a little ant that was rewarded by its Lord Almighty for carrying a drop of water in its mouth to take away that gigantic fire. You, the Children of Adam, can do more than that ant did.

Therefore it is an important point today. We must understand what is happening and what is going to happen in this world by reason of our heedlessness. We are heedless people, not heeding evil, never looking to ourselves – what we are doing, whether we are selling evil or buying it. We must be open-eyed, open-hearted.

And which thing opens hearts? That is beliefs. We must believe in our Lord Almighty and we must try to give our support to His kingdom on earth; we must be supporters of His kingdom. That is the honourable work for the honoured Children of Adam. If you can do this, you will be honoured. Otherwise most people are going to be ashamed on the Day of Resurrection and they will wish that there were a crack in the earth and that it would swallow them up; so many people will wish that on the Last Day, the Day of Resurrection. When they see that all their works, all their actions, are selling and buying evil, they will wish that this earth would crack and swallow them in it.

Oh people, it is not too far away. As I was coming to Jumu'ah prayer today, I met a funeral procession and I saw a brown coffin. A man was lying in it and his eyes were closed. And he will open them for that Day. It is only so near; don't imagine it to be too far away. No, only when you close your eyes, at the next opening you will be in that Divine Presence for Judgment Day. We will all be there. That Day is coming for everyone. [...]
