

everything that belongs to Heaven. Oh our Lord, we are running to You, shelter us and don't leave anyone of those shayṭānic people on earth. They are refusing Holy Books and they want to make orders as their egos desire and Shayṭān teaches them. May Allah forgive us!

Oh Allah, Allah, Allah!

Astaghfirullāb, astaghfirullāb, astaghfirullāb al-‘aẓīm min kulli dhanbin wa ma‘ṣiya, min kulli mā yukbālifū dīna-l Is-lām.

This holy month – perhaps the holiest month – Rabī‘a al-Awwal, Milādu n-Nabiyy, the birth-month of the Seal of Prophets, is going to finish. Perhaps after one week or ten days it will be finished. Oh people, ask forgiveness from your Lord Almighty Allah. Ask Him for a Saviour. Someone to save us, to save His servants, oh Allah.

For the honour and the sake of the Seal of Prophets, the most honoured, most glorified, most beloved in His Divine Presence Sayyidinā Muḥammad ﷺ, *Fāṭiḥab.* ♦

Durood Ibrahimī

Meaning: Oh Allah, send your blessings on Muḥammad and Muḥammad's family just as you did on Ibrāhīm, the Prophet, and Ibrāhīm's family and verily You are praiseworthy and the Glorious.

The famous companion of the Prophet, Hazrat Qaib says that once it was inquired from the Holy Prophet as to how blessings be sent on him. The Prophet replied that the blessings be said in the

اللَّهُمَّ صَلِّ عَلَى مُحَمَّدٍ وَعَلَى
آلِ مُحَمَّدٍ كَمَا صَلَّيْتَ عَلَى
إِبْرَاهِيمَ وَعَلَى آلِ إِبْرَاهِيمَ
أَنْتَ حَمِيدٌ مَجِيدٌ اللَّهُمَّ
بَارِكْ عَلَى مُحَمَّدٍ وَعَلَى آلِ
مُحَمَّدٍ كَمَا بَارَكْتَ عَلَى إِبْرَاهِيمَ
وَعَلَى آلِ إِبْرَاهِيمَ أَنْتَ حَمِيدٌ
مَجِيدٌ

manner mentioned above, the Durood Ibrahimī.

The Prophet has openly and clearly said Allah showers blessings ten times on one who sends blessings only once on him.

On some other occasions the Prophet said that any one who recites Durood Sharīf once, in return his ten sins are forgiven, ten grades are upgrades and ten good deeds are entered in his life sheet. ♦

Dastūr, yā Rijālallāb! Madad, yā Sulṭānu l-Anbiyā'! Madad, yā Sulṭānu l-Awliyā'. Madad, yā Rijālallāb, ayyadanā bi madadikum. A'ūdhu bi-llābi mina sb-shaiṭāni r-rajīm, bismi llābi r-raḥmāni r-raḥīm.

Oh people, we are all sinners. We are not following the Holy Commands of Heaven, therefore instead of be-

ing blessed people are being cursed. Everywhere curses are raining on people. *Dastūr, yā Rijālallāb.*

Sayyidinā Muḥammad ﷺ [Maulānā stands up] was sent as the Seal of the Prophets; there aren't any Prophets after Sayyidinā Muḥammad ﷺ. He is the Messenger of the end of time and the Last Days are approach

ing, because all the signs that he mentioned – and he sent his messages to all nations – have appeared and we are in that time now.

The Seal of Prophets Sayyidinā Muḥammad ﷺ was only calling people to Allah. I don't understand why other religious people such as Christians and Jews are refusing him. What did the Seal of Prophets say to them that was wrong? Where was he calling people to? Was he calling people to Hell or to Paradise? Was he calling them to be in Hell forever or to run after Eternity? He was also, as the Seal of the Prophets, repeating his invitation to all nations. All Prophets called people to Eternity, to eternal life. But Shayṭān is urging them to refuse the invitation of the Prophets. We don't understand what is wrong with the Seal of Prophets. Allah Almighty sent 124 000 Prophets; all of them called people to Eternity, to the Divine Presence of their Lord, their Creator. There is only one Lord, not a second! Only one Lord from pre-eternity up to eternity, others are servants. There can't be two Lords.

Have you seen any car which has two drivers? There can only be one. Did you see a country which has two Sultans, two Emperors, two Presidents? – But presidents, prime ministers and MPs have no value. Because people are choosing and saying: "You are President." 'Bubama.' Haha! Others say, "We don't accept this one, we must fight him, we must become number one and people must follow us."

No! People are following the wrong way now. They must follow divine commands, divine orders. There can be no elections! Allah Almighty never ordered people, "You may elect your leaders." No, leadership is a grant from the Heavens. Leadership is only for Prophets, not for anyone else. If they choose someone, that is alright, but you can't choose someone from below and say, "This is our leader." No. That is false. It

has never been mentioned in the Old Testament or the New Testament or the Holy Qur'ān.

Moses, Sayyidinā Mūsā, was a Prophet and leadership was only for him. King Sulaymān was chosen by the Lord of the Heavens. David also. Our Prophet, peace be upon him, was the leader, the chief of all nations, of all religions, chosen by Allah Almighty. He must be obeyed. You must obey him. Now is the time of the Seal of Prophets, Sayyidinā Muḥammad ﷺ. All nations must obey his holy Order which he brought from Heaven.

We don't want any laws or orders that people have written or Parliaments have made. No, orders can only come from the Lord of the Heavens, the Lord of Creation, the Lord of Universes. Only Allah Almighty may give orders. Oh people, you cannot give orders, you are servants! Don't try to interfere with the authority of the Lord of Heaven! To get involved in the authority of the Lord of Heaven is the biggest sin and Allah Almighty should punish those who are doing that and also those who are supporting them. Therefore everywhere now there is a crisis, and nations are in chaos. Because they are disobedient and don't listen and follow heavenly orders, divine anger is coming to nations and their supporters one by one.

It is terrible, terrible, heavenly anger is terrible, not missing anyone! And the beginning of this, the first sign is that you can see in every country that people are divided into two parties fighting each other: the same people, the same nation, the same nationality are fighting amongst each other. Because they are disobedient servants Allah is punishing them. Don't say, "This is something between Palestinians and Israel." It is not. Don't think that it is only amongst Pakistan people. Daily they are running in the streets like

"Ka amabum ḥumurun mustanfiratun farrat

min qaswarati." [74:50-51].

They are running, but they don't know where to run. They are running and shouting and their own soldiers are shooting them. What is their position in the Divine Presence? Allah Almighty should ask them, "Why were you running and why were you fighting and dying? For what?" Or: "For whom are you dying? For *dunyā* or for Allah?"

Whoever fights for Allah will be rewarded, but those, who are not fighting for Allah, are fighting for Shayṭān and Shayṭān's representatives, and their souls are going to the fire. From here to the fire.

Oh people, think about it. If you don't consider this situation, daily more and more troubles will appear, more and more punishments will reach people. And Allah Almighty may take away His "Raḥma", His Mercy. When Allah takes away mercy from the hearts of people, they will be like the wildest animals, beasts. They look like beasts. It is the fault of mankind! What are they supporting? Do they support one person? What did he do that you should support him?

Oh people, why don't you support heavenly people? Why don't you support your Prophet or your Prophets? Why don't Arabs follow their Prophet? And Muslims, why don't they follow their Prophet, the most honoured Sayyidinā Rasūlullāh Muḥammad ﷺ? Why don't Christians follow their Prophet and they say, "He is the Lord." Even if he is the Lord, did he order people to kill each other and to make such terrible weapons that can destroy the whole planet and everything on it? Is Jesus Christ saying, "Oh people, kill everyone on earth"? Is that their mission? Was that the mission of Jesus Christ? They are liars and must be punished! And Muslims are not following the holy Commands of Allah Almighty and they should be punished here before the Last Day.

Oh people, come and accept the truth!

The Holy Qur'ān is showing only the true way. The true way is ordering, "Oh people, try to be with people of truth, *ṣādiqīn*.

* * *

"*Kūnū ma'a ṣ-ṣādiqīn*." [9:119]

* * *

Allah Almighty is ordering, "Oh people, follow trustworthy people. If not you will be cursed and you should be punished." May Allah forgive us.

Oh people, I am a weak servant, I am a very weak servant. I am only addressing my ego which is never happy to follow heavenly Orders. And everyone's ego is never happy to follow heavenly Orders. They should be punished.

Oh people, come together and listen to and obey Holy Books, particularly the Seal of Prophets' Holy Qur'ān! You can find everything in it for the safety of mankind and their good future. Allah Almighty is giving a guarantee to those people, who follow the Holy Qur'ān, Holy Books, for eternity, for eternal life.

Oh Allah, yā Allāh, ant-Allāh. We are weak servants. Send us someone, as You have promised us, to come and destroy every evil and devil on earth. Help us, we are
