Oh People! Without heavenly support no one can do anything. There is one true way. But shaitanic ways are many. They don't receive any support from heaven. Because heaven never gives permission for wrong ways and wrong ac-

tions, heaven never gives permission for sins. Heavenly ways call people to goodness. The true way leads people to a heavenly invitation which calls them to Allah Almighty's "mā'dubab", feast. Allah Almighty is calling His servants to His Divine Feast, mā'dubab.

Allābu yada'ū ilā dāri s-salām. [10:25]

Allah Almighty is calling, inviting His servants to Dāru s-Salām. So you should be under divine protection and you should always be at that divine feast. He is endlessly giving and His servants are endlessly asking.

"Is there no more, oh our Lord – *bal min mazīd*? Is there no more than this?" "Yes, *wa la dayna mazīd*, we have more."

You can always find in the Divine Presence never ending bounty. Like that invitation and divine generosity, "*ikrām*".

"Oh people! You have not yet seen My *dāru l-karāmab*, My divine generosity. You have not seen it yet. You are in *dunyā*, on earth and your lives are very short, very short. They are passing so quickly. And then you have to leave that *dunyā* which you like too much." Ehh!

"You have seen nothing in this *dunyā*. You are going to see My generosity in My *dāru l-karāmab*, in My paradises in which I will give to My servants endlessly, eternally through eternity, never ending, never ending."

No one will say, I am fed up. No! Always they will ask, "*bal min mazīd*? Is there no more, oh our Lord?"

"Yes. Always I am granting to you the like of which you have never seen before. Always everything is new and full of taste,

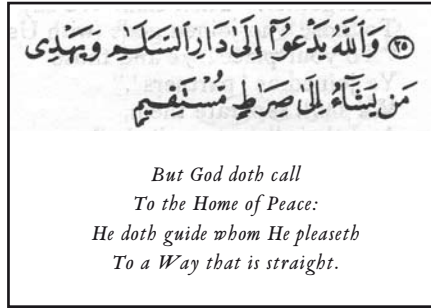

kullun jadīdin ladbīdb. Every time we are going to find new things, new paradises, new grants, new favours.

"Oh people! Follow! Follow My prophets who I have sent to you to teach you how to come to My Divine Presence, My divine feast.

But now, Shaitan is making people drunk. Everyone is drunk, "*musābaqa*", "*yatasa-baqū*", drunk with competition.

"Why has he got one million? I must have what he has also. I must also have one million. If he has one billion I must also try to have one billion." Yes!

But finally people are going to say, "Oh, my friends. Even though I am not getting any pleasure from them any more. I cannot find any delight from my countless treasures. Oh people! I'm just tired. I am fed up with

my riches. Oh, oh my friends, I need to rest. Because my riches are always increasing and becoming a heavier burden on my shoulders. Oh people, look at me. My neck has become like an arch. I wasn't like this before, I had a straight back and erect head. Now I am bent over. Yesterday I was like this, now I'm like that. Oh my sons, oh my children, oh my friends, I'm carrying a heavy burden. Over the years my burden has become heavier and heavier. Oh my friends, oh my children, I want to rest."

"Oh our grandfather, we shall take you to the lakes of Switzerland. You should be happy there and in pleasure. You may rest there."

"Oh my grandsons, oh my friends, I am not so interested in going to such beautiful places. I'm not taking any pleasure there. No, I just need to rest. Everything is weighing heavily on my shoulders, very heavy like

the Himalayan Mountains or the Kaukasian Mountains, or the Ural Mountains ...”

“Oh Sheikh! You are forgetting our Alps. That person may go to North Italy ... and be very happy there.”

“No! No! No more can I look at anything and get any pleasure. My eyes will close now. Oh my friends, I don’t want to open my eyes any more and look at anything beautiful. No! I want to close my eyes from every worldly beauty in this life. I want to rest. I want to look to the heavens. Some heavenly creatures will come and take my soul and give me a rest. Eternally. I’m asking for that.”

Oh people! But Shaitan is saying to you, no, no, no. You must make companies, you must open markets, you must build supermarkets, you must make hypermarket, safe way markets.

I was in London, and I saw written on a big trading centre, „Safeway Market“. I was thinking, what is that „Safeway“? Perhaps everything in it will give pleasure to people. If you are eating and drinking then you will be in safety. No, no! It really means, “Oh people, come to me, because I may cheat you more than others. Therefore I’m saying, come to me.”

Oh people, today you are here on earth, tomorrow you will be under the earth. Don’t be proud. Don’t be bad. Oh people, try to be good. Because good people are asking to reach their Lord’s Divine Presence. Don’t believe Shaitan and shaitanic ways. Oh people, keep yourself. Look after yourself. Keep your heart with your Lord, try to concentrate and be with your Lord Allah Almighty even for one hour. Yes! Allah Almighty has put a limit for everyone.

Everyone has a limit. When they reach that limit, they will not be able to go beyond it. Everything will finish. Oh people! Use your safe mind. Use your mentality in a good way and also try to use your heart,

and see what is coming to you from heavenly stations. You should be happy and you will never regret anything. Yes! Don’t be cheated when you are young, and powerful or when you are rich. Think that one day will be your last day. So many people’s birthday may be your last day. Yes!

We are coming here from far away. I’m not speaking to you about what I have learnt from so many books. We are authorized to speak to you from heart to heart. When I’m here my station is receiving waves from heavenly stations and they are making me address you.

Oh people, protect yourself from shaitanic tricks and traps. Always keep yourself clean here and hereafter to reach the Divine Presence. And your Lord is saying, “Oh My obedient servant, *iṭā‘at*, come and enter the paradise which I have prepared for you in eternity. Eternity! In the *dunyā* you are always coming down, going down, and becoming hopeless, but in My presence you want to feel and taste more and more of My endless eternal oceans. Oh My servants, come to Me.”

Try to hear your Lord saying to you, “Oh My servant.” Then you should fall down into *sajdah*. You will bow to your Lord and say, “Oh my Lord, I was heedless, please forgive me, please forgive me, oh my Lord, for the honour of that one who you have created and put his name, his holy name, next to Your holy name. As it is written on Your divine throne, *lā ilāha illā llāh muḥammadun rasūlu llāh* ﷺ.”

Follow Allah Almighty’s representative. Therefore everywhere in His Divine Kingdom it is written, *lā ilāha illā llāh muḥammadun rasūlu llāh* ﷺ. That means, “This is My representative. If you want to reach Me first of all you must come through that one, My representative.

He is My most recent representative. Not Adam or Moses or Jesus Christ or Zakharia

Durood Nariya

اللَّهُمَّ صَلِّ صَلَاةً كَامِلَةً وَسَلِّمْ

or Abraham or David or Solomon, no. My representative is the one whose name is written together with My name and which the angels are repeating, *lā ilāha illā llāb muḥammadun rasūlu llāb* ﷺ.”

Oh people, you still have hope in your lives. Try to reach that honour. Try to be honoured in the Divine Presence and the presence of His deputies.

May Allay forgive me and you and bless you here and hereafter and may He take away those who are cheating the servants of the Lord Allah Almighty and those who are bringing enmity and jealousy and bad feelings to mankind. Try to teach them and stop them from killing each other for nothing. Try to be with Allah Almighty's real deputy from pre-eternity up until eternity. *Āmin, āmin.*

Wa s-salāmun ‘alā mursalin wa ... ‘alā sayyidinā mursalin, al-ḥamdu lillābi r-rabbi l-‘ālamīn, al-fātiḥah. ♦
