A Man Must Be A Man

MAULĀNĀ SHEIKH NĀẒIM AL-ḤAQQĀNĪ, Lefke, Cyprus,
Sohbet after *Jumu'a*, ~ 27th *Jumādā al-awwal* 1430, Friday, 22nd May 2009

As-salāmu 'alaikum! ... wa baraka 'alaikum.

*A'ūdhu bi-llāhi mina sb-shayṭāni r-rajīm,
bismi llābi r-rahmāni r-rahīm. Lā ḥawla wa lā
quwwata illā billāhi l-'aliyyi l-'azīm.*

Oh people! Most of our people understand English. Therefore I am taking permission from our Umarā', from His highness from the Kingdom of Jor-

dan. They are lions of the seal of prophets, sayyidinā Muḥammad ﷺ, *sharafa mukarram, mumajjadan mu'azam*. Huu! Through His Highness the Amīr I am asking for permission to tell you a little bit of what is coming to my heart, *tarbiban lakum, ikathan labum*. Wake up! Wake up, *ayyubā l-ghāfilūn!* Everyone is heedless. You are not heedless, only I am heedless, you are *mashā'allāb* wide

awake. You are welcome. May Allah forgive us and send His blessings on His weak servants. We are Muslims, but now we are the weakest people on earth.

Really we should be the most powerful people on earth now because we have as our supporters Rasūllullāh ﷺ and his inheritors, Awliyā'allāh. They are looking to see whether we are asking, "Oh, our Lord's beloved ones, oh our Lord's servants, please support us!" But I'm sorry to say that no one from amongst Muslims are asking for support from the friends of Allah. Awliyā'allāh are friends of Allah. First they are friends of the seal of prophets, sayyidinā Muḥammad ﷺ, then they may be friends of the Divine Presence of Allah Almighty. Oh people! *Al-jaza'u min jinsi al-'amal* – payment goes according to the work. That is an Islamic wisdom coming from the seal of prophets, *babru l-'ulūm*. Because Allah Almighty granted the seal of prophets, sayyidinā Muḥammad ﷺ, *babru l-'ulūm*, a sea of knowledge. *Bahr* is for the seal of prophets ﷺ. They are not saying "mubīṭ" – *mubīṭ* is for Allah Almighty. And endless *mubīṭa* ... *Mubīṭ* means "ocean", whereas *bahr* means "sea".

A sea is not an ocean. We have the Indian Ocean, the Atlantic Ocean and the Pacific Ocean. But don't think that Allah Almighty only has three oceans. He has endless oceans. There are countless oceans for Allah Almighty, *mubīṭ*. You must try to know something about the identity or personality of the seal of prophets ﷺ.

If you don't know something about him you can't know anything about Allah Almighty. But I am sorry to say that now we are living close to the Last Day, *yaum al-qi-yāmah*. And the seal of prophets ﷺ informed us that one of the signs of the Day of Resurrection, *yaum al-qi-yāmah*, is that people will not try to know or to learn about their Lord. They will move towards oceans of ignorance. There are oceans also of ignorance.

And people are running towards those ignorance oceans. And they are heedless people. No one is asking who created us. No one is asking who brought us through space to this planet. How did we arrive on it?

They are saying on Shaitan's box where they are showing people so many things, that the Americans are going to send a new missile into space. Hah? They are talking about such foolish ideas in America. America is the fountain of all ignorance. Everything that is wrong you can find in America. The American people have no mind.

This is the news. They are saying that they are going to send a missile into space. They want to see what is up there. And they are looking into the idea that at the beginning of this universe one atom exploded and out of that came a light, and from that light everything appeared. They are saying that they must run through space to see if they can find that first lightening. And they say that in that lightening there was a star. The star and the light from that star take 250 million years to reach us. And they are trying to find the beginning. Such foolishness! Every foolish thing you can find in America. Because they are eating too many hamburgers. And then they are sleeping and dreaming such curious and foolish dreams: We must find a way to reach that star and see what happened there. And such foolish ideas are penetrating every country, even Muslim countries and also Arabic countries.

They are forgetting about reciting the holy Qur'ān and running after this nonsense.

"Where is that star?" I would swear at those people, but for the honour of Your highness I am keeping *adab*. I am a very *adab*-ful person. – Sleeping? – Therefore look first at this world where we have landed. They are not looking at that. If they did that they would have to look at holy books, the

Old Testament, the New Testament which according to their understanding was given to the children of Israel and other nations. But the seal of prophets ﷺ was granted the holy Qur'ān. You can find everything in it from pre-eternity up until eternity. But they are not looking, they say there is a star and we must go. Give the money that you are spending to poor people in Africa who can't find anything to eat or to drink. But Shaitan is taking them down the wrong road. There are two ways, oh people, one is the true way, the second is the wrong way.

Nobody now is thinking about the holy Qur'ān. That includes the Arabs and Muslims, the Turks, the Kurds, the Iranians also and first class Muslims, the Pakistanis, the second class Muslims, Afghanis, and third class Muslims, Wahhabiyūn. And this is the reason why curses are falling on people. Look in the universities if they are putting any lessons from the holy Qur'ān to think about. Why? Why? And Allah Almighty will take all of them away and bring new people. *Falla jalālābu, ayyāmun yudāwiluhā baīna annās* – [honour to Allah, He is sharing days between people]; He will take away the Arabs, the Turks, the Iranians, the Pakistanis, the Afghanis, *biddu yishbilbum, kbalāṣ* [He will take them away, finish!] and bring *qaumin bibūnābu: wa saufa yāti Llābu biqau-min yubibbubum wa yubibbūnābu* [Allāh will bring new people, who will love Him and He will love them]. *Kullun 'ibādub*, everyone is His servants. If you don't give respect to the holy Qur'ān and the way of the seal of prophets ﷺ, He will take you away and bring another people.

Palestine. Is there only Palestine for the Muslims? Or has Allah Almighty granted us the whole world? What is that? Gaza, Gaza! Gaznawi! *Hādha badafuna*. Is there only one nation for Muslims? The prophet never said, *'alaikum bi baitu l-maqtis ta'kbudbū takumayn*. That is for *ummah min*

ṣābiqab, Qudsū sharīf, thalithu al-ḥaramain al-sharīfain [Jerusalem, the third holy place after the two holy places (Mekka and Medina)]; *baitu l-maqtis li l-ummah min sālifa lana tawallu wujubakum shattra makkai al-mukarrama*. Rasūlullāh ﷺ fought to reach *ka'baymu al-mu'azzama*, that is our honour. A hundred thousand mosques like Masjid al-Aqṣā will never be equal to the *ihṭirām*, the holy Kaaba. Who are you talking to – *lā hayyāta liman tunādī, kbār ummābu hākatba?* You are on the wrong way! Look, the true way is in the holy Qur'ān! You must look in it. If you don't look your eyes will be taken away from you. You are going to be blind, *a'mā. Wa man kāna fī hatbibī a'mā, fabuwa fī l-akbirati a'ma, wa thalla sabīla* – whoever was blind in this (*dunyā*) will be blind in *ākbirab*. They have lost their way.

I'm the weakest one. I'm zero on the left hand but if my zero goes in front of one, I may kick this world like a football – or like a volleyball! I can use this world like a volleyball. I'm zero, but if zero is coming after one there is power. One zero is enough. The Lord of heaven doesn't need a second zero there. No! One is enough! A billion universes like this universe may be taken away with one zero. Oh people, you must change from the wrong way to the right way. We must say now that all governments are running after democracy. No, this is *ḥarām!* This is *bāṭil*. They must follow the way of theocracy. Democracy is the way of no mind people. Allah Almighty's order is to follow the theocratic way. You must change! Or you will be taken away. Therefore from five people one will remain. Four billion will be taken away. Allah will bring people who believe and keep respect for the holy orders of heaven. Oh people, I'm nothing but something. We are approaching step by step to the Last Day, the Day of Resurrection, *yaum al-qiyāmah*. And before *yaum al-qiyāmah* comes, Mahdī ﷺ must come. He

will arrange the lives of people according to the holy commands of Allah Almighty.

A man must be a man! Women must be women! Allah Almighty has ordered the ways of man and how they should move, and also for women and how they should be dealt with. Homes are for ladies, for women. Outside is for men. That is the holy command. Who is going against that, should be taken away. There are so many ways to do that.

“Ah, oh Sheikh, what shall we do? There is a virus called swine-flu.”

That will never affect a *mu'min*, a believer. But whoever is living like a pig will be affected.

We have been informed by a holy Hadith of Rasūlullāh ﷺ that when Jesus comes, he will kill the pigs and break the cross: *yaqtulu l-kbinzīr yaksuru ṣ-ṣalīb*. Sayyidinā ‘Isā عليه السلام. *Subhāna llāh qad badā* – it has started. Perhaps there will be no more *khanazīr*, pigs, until Sayyidinā ‘Isā عليه السلام is coming, but it also refers to *tabā’u n-nās*, people’s customs and characteristics. *Al-ān badan yaqtulu al-khanzīr* – now they have started killing pigs.

Harām is *najāsa*. They are not making a difference between *halāl* and *harām*. *Harām yākul ṣifatubu ṣifatu al-kbinzīr* – the characteristic of eating *harām* is the characteristic of the pig.

Oh people! You must know the true way and the wrong way. Whoever is going on the wrong way, no mercy will come from heaven. But what shall we say? What shall we say? In Muslim countries they are also following *gharbiyyūn*, western people. We are not western people. The occident is where the sun sets down; there are the countries of darkness. We are oriental people, always the sun is shining. European western countries must follow the lights which come from oriental countries, from Makka *mukarrama*. Oh people!

Keep everything which we are saying. I am not looking in books and coming to address you. I am saying what they give into my heart. And I don’t fear anyone. If anyone thinks something wrong about me I may reach him before he reaches me to put him under the earth.

Allāh Allāh, allāb allāb, allāb allāb, ‘aẓīẓ allāb

Allāh Allāh, allāb allāb, allāb allāb karīm allāb

Allāh Allāh, allāb allāb, allāb allāb subhān allāb

Allāh Allāh, allāb allāb, allāb allāb sulṭān allāb

Give people Halva! Halva give to people! If something wrong comes to anyone’s heart, there will be only forty days for him to be on earth. On the forty first day you may find him under the earth.

They are saying there is a virus but they can’t see it and the virus is more powerful than mankind. How can this be?

Allāhumma ṣalli ‘alā Sayyidinā Muḥammadin in-nabiyy ummī wa ‘alā ālihi wa sabbīhi wa salīm. Al-fatībah. ♦
