

through Awliyā': whoever makes five times ablution, and so rinses their mouth three times, maḍmaḍa, and cleans their nose three times, al-istinshāq, will not be touched by the virus. It will never touch them!

This is for believers who sincerely believe and make ablution every day, it will never touch them.

Oh people, Allah Almighty can do anything He likes. And pigs must be killed in the time of Jesus Christ, and now it is beginning. The world will be clean. It will be clean of unbelievers and those people who today are celebrating workers' day. The whole world is standing up and saying, "May day! May day!" But they have forgotten their creator and they are running everywhere in the whole world on this their biggest day. *Inshā'allah* they will not reach May day next year. – [people: "Ameen!"] – Allah Almighty will take His revenge because they have forgotten Him and they are saying, May day, that the first of May should be a holiday. For what? What happened? Hundreds of millions of people have been killed after that terrible day. And still everywhere, Allah knows, how many thousands of people are going to be killed and burned. They have lost Allah, they have forgotten Allah. They are celebrating May day. We understand non-Muslims and unbelievers. But what about Muslim countries? Why are they celebrating May day. For what? Is it really a holy day? Is it *mubārak* – sacred? No, no. I hope today should be their last May day. Allah will send that virus to them, He doesn't need to use nuclear bombs.

It is written in old history books about the *ṭā'ūn*, "plague", which came to Iraq. It came to Basra which at that time was bigger than Baghdad. When it came to the city, in one day 70 000 people passed away, on the second day 72 000 passed away. On the third day 75 000 passed away. On the fourth day there wasn't a person left to open his

door and go into his house and there wasn't anyone left alive to come out.

Allah! He may do everything.

You must fear Allah Almighty. *Tauba yā rabbī, tauba, astaghfirullāh.*

He may send a virus. Scientists say that to find a vaccine against that virus it will take three or four months. But after three or four months there may be no one left living on earth. Even those wild animals, pigs, will die also.

Oh people, we are living in a very difficult time, because people have forgotten their creator, and they don't have any *tazīm*, respect, for heavenly orders. They think that they may make their own rules or laws, and everything will be okay, but they can't, they can't do it. It will not be okay until they accept and follow heavenly rules. You must obey heavenly orders, or you will be taken away. May Allah forgive us!

Tauba yā rabbī, tauba, astaghfirullāh.

Tauba yā rabbī, tauba, astaghfirullāh.

Yā rabbī 'afu'an!

Oh our Lord, forgive us! Send us someone who will guide Your servants from the wrong way to the true way.

For the honour of the most honoured and glorified servant in Your Divine Presence and Your deputy, Your representative, Sayyidinā Muḥammad [all standing up: ﷺ]:

*By the Star when it goes down, –
Your Companion is neither astray nor being misled,
Nor does he say of his own Desire.*

*It is no less than inspiration sent down on him:
He was taught by one Mighty in Power,
Endued with Wisdom:*

*For he appeared in stately form
While he was in the highest part of the horizon:
Then he approached and came closer,
And was at a distance of but two bow-lengths
or even nearer;*

*So did God convey the inspiration to His Servant –
conveyed what He meant to convey.*

*The Prophet's mind and heart in no way falsified
that which he saw.*

*Will ye then dispute with him
concerning what he saw?*

*For indeed he saw him at a second descent,
Near the Lote-tree beyond which none may pass:
Near it is the Garden of Abode.*

*Behold, the Lote-tree was shrouded
in mystery unspeakable!*

*His sight never swerved, nor did it go wrong!
For truly did he see of the Signs of his Lord,
The Greatest!*

Jesus Christ عليه السلام will kill the pigs and break the cross

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQ QĀNĪ, Lefke, Cyprus,
Sohbet after *Jumu'a*, ~ 6th *Jumādā al-awwal* 1430, Friday, 1st May 2009

As-salāmu 'alaikum!
Are you tired? If you are tired, then go! Go and sleep, it is better if they sleep.
As-salāmu 'alaikum!
Madad, yā Rijāl-allāb. Madad, yā Sayyidī, yā Sulṭān al-Awliyā'.
Dastūr, yā Sulṭān al-Awliyā', madad.
A'ūdhu bi Llābi mina sh-shaiṭāni r-rajīm, bismi Llābi r-rahmāni r-rahīm.

In the name of Allah Almighty, Almerciful, Most Beneficent and Most Munificent. Oh Allah, You are Allah. You are Allah. Forgive us and send Your blessing to Your weak servants, oh *allāb, ant allāb. Sulṭān allāb, subḥān allāb.*

Madad, we are asking for heavenly support to reach You and me and every believer who believes in the truth, and whose way is straight, not going first one way, then another. Oh people, try to be servants of your Lord, servants for your creator. That is the most important – *bu* – the most important aim. Oh people, we haven't been created to follow Shaytān. Allah Almighty Who created you, has given you an honour above which there is no other honour. He Almighty is saying, "Oh My servants, I am your Lord, and you are My servants. Are you accepting Me as your Lord? Do you accept that I created you? Will you promise to be My servants anywhere, everywhere?"

And our souls said: "Oh our Lord, You have created us, and we are giving You our oath that we will keep Your servanthood. That our servanthood will be for You only, oh our Lord."

Allah Almighty is saying, "I am happy with you if you keep your oath by being My servant. I will invite you to My Divine Presence. And I will give you such a grant that no one else is able to give you. No one. I am that one who created you and I am promising you that I will give you eternal life. I have created you for eternity, oh My servants. Try to make Me happy with you and I will grant you eternal life in My Divine Presence. Is there anything better than this?"

Oh people, what are we doing! After which things are we running? We are foolish people, people with no minds, crazy people, bad people, Shaytān's followers.

I remember that three weeks ago when I was here my Grandsheikh said to my heart that people are unbelievers, and they are so proud with their nuclear bombs and such things. And I remember that Allah Almighty doesn't need to send nuclear bombs to you, no. He may send His soldiers to you, as He sent to Abraha and his army when they came to destroy Allah Almighty's holy house in Mecca *mukarrama*. They were going so proudly and saying: "We are coming to destroy *bait Allāb*, Allah Almighty's house." – Yes. When they were approaching

holy Mecca – may Allah always increase its honour – and they were perhaps only half an hour away from the Lord's house, as it is said in Qur'an, *ṭayran abābil* [105:3] were sent. They carried in their beaks stones the size of a lentil and also in their claws, nothing else. And they were sent to Abraha's army each bird attacking one of Abraha's soldiers and when the stones hit they exploded, killing the soldier.

He used such a method, because in those days they only had swords and spears. But 21st century people are so proud. "We have such power, we may burn the whole world in seconds. We are so proud!"

Then just three weeks ago we said that He would send some small armies. Very small bacteria can be seen under a microscope, but there are smaller things that can't be seen even under the most powerful microscope. And we talked about that virus. One week later the Lord of the Heavens confirmed our speech and sent a kind of virus which they had never heard about. Which kind? Sars? Pig? Big? Pik? – [attenders are laughing] Pig! A virus was sent that no one had ever thought about. A pig's virus. And now seven billion people are trembling. I am asking, why? "Where are your nuclear bombs? Send them to that virus to kill it."

"Oh Sheikh, we can't see anything to attack."

Ah, *subḥānallābi l-'aliyyi l-'azīm*, this is one of the signs of *Qiyāmah* when Jesus Christ

killed. The "bigs" – hahaha [attenders are laughing] ... Kick!

Subḥānallāb. So now it is beginning: before he comes to earth it must be clean of pigs. *Subḥānallāb*, he is coming. But these Europeans and Americans are all unbelievers. When something happened with cows, they shot and burned them, even the Islamic world did this. Also with chickens, hens, cocks, rooster – Water? *Tauba*! They killed millions of hens and chickens, without any mercy. Even though there was only one thing wrong with them they killed them. They killed and burned them. But for pigs they say, no, we must not touch them!

Why? Why did they kill cows and chickens, and not pigs ... Why are they not killing pigs? Even Turkish professors are saying, pigs don't matter, we are far away from them, and we shouldn't touch pigs. *Tauba, astaghfirullāb*. But they should be killed, they should be killed. And they are putting a mask on their mouth to protect themselves. But the heavenly order has come
