The Days of Tyrants Are Over (2)

MAULĀNĀ SHEIKH NĀZĪM AL-ḤAQQĀNĪ, Lefke, Cyprus,
Sabbet 16th *Shawwāl* 1430, 5th of October 2009

[continuation:]

I am the weakest one, the weakest person! I have been ordered to speak in the east and the west, the north and the south only to warn people. Oh people! Look after yourselves! If you don't glorify the Lord of the Heavens and keep the highest respect for His orders, wild

beasts are coming now to take you away. The majority of people should be sent away. Those tyrants and wild beasts are coming to swallow you. Come and follow Ḥaqq! Come and accept the truth, so that you can save yourself here and hereafter. I am one of the weakest, I am the weakest person!

Don't think that I am a shaykh. I am not a shaykh. I am a simple person. Simple! Zero! Zero behind one! It has no value. But sometimes zero may be put in front of one, then zero gives power. Behind one, zero is zero. You may put a hundred zeros, and it is still zero. But after one, if you put a zero, it will become ten, two zeros make a hundred, three zeros make a thousand, four zeros make ten thousand. Beware, I am zero now, but if He wants, the Lord of Creation, who created this weak servant, can give power. We are not asking to be given value, we are under the holy command of heaven. If He wants to give a value to nations, He can put a zero on the right hand of one, then power begins to come, begins to come, and that power may finish all the struggles of scientists, who have invented so many terrible weapons, nuclear weapons. That power may take it all at once, so quickly! Beware, don't say, "who is that one?" That one is zero. I am zero! But if He, who made that zero, wants to put it on the right side of one, you may see, who is that one!

I am nothing. Nothing but a warner. That is the holy order of heaven. And therefore I am speaking – not I am speaking, they are making me speak. Such heavenly supported people number a 124,000. And the weakest of them may take away *dunyā wa mā fīha* – this world and everything in it, they may kick it like a football. Shoot! Haha! They may kick it from the east to the west, from the west to the east.

Oh People! You must try to learn some new talents which you have not heard of before, but are mentioned in all holy books: the Old Testament, the New Testament, the Psalms, and the Ten Commandments, and all of them have been put into the Holy Qur'ān.

Tūbā, the highest good tidings are for those people, who are happy when they hear and listen. Their hearts are opening

and they find support against shayṭāns and their followers. Weak people are feeling support against tyrants.

Oh People, there are good tidings from east to west, from north to south. It is the beginning of the end for those people, who are harming you, *aḏīyāt*, and putting your honour under their feet. All heavenly people have been dressed in heavenly Anger now.

I am not from those people, I am only from the common people. But heavenly people are beginning to move closer to our surface atmosphere now. The time is right, therefore earthquakes are beginning everywhere. Heavenly revenge waves are beginning from under the oceans or from above and coming down on countries. Take care, Oh people! Why don't you ask, who is sending this, who is doing that? Why don't you believe? You must believe or you will be taken away. May Allah forgive us. Huuu, Allāh, Allāh, Allāh. Oh people, try to listen, give time! Don't say, "I was working, I missed today's warning." This is a warning! Give at least half an hour from 24 hours, to hear and to come to spirituality.

Oh people, prepare yourself for heaven. You have heavenly stations and you have heavenly positions. Yes! Try to give even a short time for that purpose. When a strong tidal wave comes up it will take everything away and flood everywhere. – Are you sleeping?! You must give your full attention, because this is a heavenly warning. The Lord of Heaven is saying to unbelievers and tyrants, "Oh tyrants! Oh those who, *inkār*, deny everything which comes from heaven! I am here! I am approaching! I am sending My warnings to you!"

Don't say "There is a hurricane coming to America or coming to islands in the Pacific Ocean, or there will be an earthquake under the Pacific Ocean and we are afraid that its waves will take away our cities and everything that we have." Hear and try to

understand what has been said to you! It is a heavenly warning. Oh People! Beware and come and listen; listen every day! We are not asking for money from you or to take command of this world, no. Our only wish is to leave this life as believers.

Oh people, *as-salāmu ‘alaykum wa rahmat-allābi wa barakātub!*

I also hear your *barakab*, I also hear heavenly warnings, and I am trembling, and I am asking, Oh my Lord, forgive us! Send us someone, who can support us and wake us up. Oh people, this is a warning to make you come to safety, not to stay in danger. The dangerous side has so many *reklam*, advertisements. Don't be cheated. Through a weak servant we are warning all nations.

“Where is Mussolini, where is Hitler, where is Stalin, where is Mao, Mao Mao, where is Abdul Nasser, where is Napoleon, where are the Russians, where is Victoria, where are the kings of Spain, where are all the emperors and kings now?”

Once I was in Spain, near Madrid. They took me to an old monastery. And they said to me that under that monastery, there is a huge graveyard where kings and emperors and queens and empresses were buried.

“Would you like to see them?”

“Yes, why not. I have travelled so far, I may look and take a lesson for myself.”

And we went down seven steps and continued. Perhaps Jamāluddīn was there, walking through that narrow path. There was a sign, a photograph. [Mawlana mimics gesture to keep quiet, sshhhh].

“Keep quiet, don't speak, don't shout!”

“Why shouldn't I speak?”

“Because inside is the graveyard of queens, kings, emperors and empresses.”

“Can they hear?”

“Yes, they hear, and they are kindly asking that no one speaks loudly.”

We continued and I saw a big hall, and this hall was filled with places, in which

there was something which looked like a bath which people used in olden times. They were putting one on top of another, one on top of another. There were perhaps more than 200 places where they were lying and yet there was nothing left of them. I was looking: nothing. Oh my Lord, all of them were so proud, so brave and so rich. What happened to them? And the Heavenly answer came, “Once upon a time, We put our secret power through them and they showed themselves in existence as such powerful people. But they didn't know that We only put a small battery in them. When the battery finished, they fell down dead. Dead bodies. They were heedless people.”

Everyone on earth now only has a small battery here [pointing to heart]. Some of them last for one day, some of them for only one hour, some of them last for ten hours, some of them for ten years, some of them last for a hundred years and then they finish. When they finish, they fall down dead, because the heavenly power which kept them in existence has finished. Take your lesson, Oh my brothers in the big human family! I am also waiting for my battery to finish. There are no doctors, who can fill the batteries of people. If they could, they would do it for kings and emperors, but they can't.

[Mawlana Shaykh sings] Oooh my Lord,
Oooh my Lord, Oooh our Creator,

Dome dome dome dome ...

Huuu Huuu Huuu Huuu

For the honour of our Lord, and his most beloved representative we are giving our high respects and we are crying for the whole of humanity because shaytans are making them fight each other and kill each other, and destroy each other! But finally, those who are giving trouble to mankind and making them suffer will go down and

no one will know if their bodies are buried or have disappeared.

As-salām ‘alaykum! Alfu ṣ-ṣalāt wa-s-salām ‘alā Rasūlullāh, Sayyidi l-ammalīn wa l-ākhirīn!

Al-Fātiḥah.

Thank you for listening! May Allah give you pleasure here and Hereafter.

Wa min Allāh at-Tawfiq.

A Prayer For Forgiveness

﴿٥٥﴾ اَللّٰهُمَّ اِنِّيْ اَسْتَغْفِرُكَ لِكُلِّ ذَنْبٍ اَمَقْتُ عَلَيْهِ نَفْسِيْ اِجْلَالًا لِّكَ،
وَ اَظْهَرْتُ لَكَ التَّوْبَةَ فَاقْبَلْتِ، وَ سَأَلْتُكَ الْعَفْوَ فَعَفَوْتَ، ثُمَّ اَعَادَنِي الْهَوٰى
اِلَى مُعَاوَدَتِيْ طَمَعًا فِيْ سِعَةِ رَحْمَتِكَ وَ كَرَمِ عَفْوِكَ، نَاسِيًا لِّوَعْدِكَ رَاجِيًا
لِّجَمِيْلِ وَعْدِكَ ❁

(55) O Allah, I seek Your forgiveness for every sin for which I despised myself out of reverence for You. I expressed my repentance to You and You accepted it. I invoked Your pardon and You granted it. Then my base desires returned me to my old habits, as I only longed for Your abundant mercy and generous forgiveness, and forgot Your threats [of punishment], and entertained hopes of Your gracious promises [of reward].
