The Noble Shari‘a of Heaven

MAULĀNĀ SHEIKH NĀZIM AL-ḤAQQĀNĪ, Lefke, Cyprus

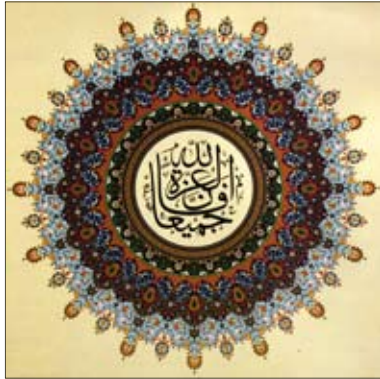

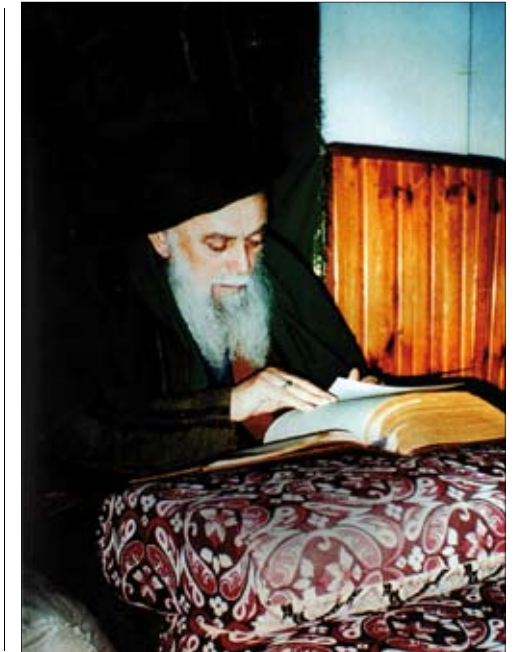

Sabbet after Zuhur, Yaum al-aḥad, ~ 28th Shawwāl 1427, 19th November 2006

As-salāmu ‘alaikum wa raḥmatullābi wa barakātuh.

Ahlan wa sahan! Welcome! Hos geldin, hos bulduk!

We ask Allāh Almighty to be with those people who are welcome. There is no hope if we look to our obedience; if we look to our servanthood, I don’t think that we can be welcomed. But we hope that if we can be with good people, with Awliyā’, we can catch their coat-tails. When they come to the entrance of Paradise, they should be welcomed, and everyone who

is following them, catching their coat-tails, may also be welcomed. That is our hope!

But I think that our life-style which we follow now is against the noble Sharī‘a of Heavens. I am sorry, deeply sorry, that we don’t follow the ways of the noble Sharī‘a which Allāh Almighty sent to us. We are always mishandling the noble Sharī‘a using our feet also, but never following the noble Sharī‘a.

Every nation now is to blame. But if blame comes to the non-Muslim world, it will come to the Muslim world seven times more! The nation of Sayyidinā Muḥammad ﷺ should be blamed now for following the shayṭānic teachings of non-Muslims and kicking out the noble Sharī‘a. Therefore we are going to be blamed seven times more than they are.

‘*Ayb*, shame, on the nations in our days who are claiming: “We are Muslims, we are Muslims!”. But you can’t be Muslim! Your Islam is only on your tongue, and your actions in your houses and out of your homes are all like unbelievers’ and non-Muslims’ ways. How can we say: “We are Muslims”? Do you think that if a person looks at the appearance of the Muslim world, their dressing, they would say: “This is a Muslim”? Never!

First of all therefore, we need to change our ways now. You must change, your appearance must be like a Muslim. When you see a Muslim you must look and say: “That is a Muslim.”

We must correct ourselves! What is the honour for Muslims to try and be like western people? What is the honour? From Heaven came the orders saying: “Oh, when you step on the way of *Ablu l-Kitāb*, the people who have been given a book, you should be honoured. “Is this written in the Holy Qur’ān or said in the speech of the Prophets? Do you know? Therefore we should be blamed at least seven times more.

“What was the honour, o My servant, when you followed the customs of western countries and followed their steps leaving My way which I sent to you through My Prophets, particularly the Seal of Prophets? What was the honour, when you dressed like them and used European western people’s customs instead of Islamic customs? Was there any honour for you? What was the honour for you, o nation of the most praised one? What was incomplete in Islam that made you run after Europeans’ shayṭānic teachings?”

Which thing was missing from Islam? Allāh Almighty said: “*Al-yaum akmalu lakum dīnakum.*” Allāh Almighty said to His most praised, most honoured Prophet and servant: “O My most praised one, most blessed one, today I completed, fully completed your religion, way of life.”

Allāh Almighty says: “I have arranged your religion in the most complete way. O people of My most praised Prophet’s nation, o Ummati Muḥammad, I have completed for you your lifestyle” – which thing can be missing from Islam that our leaders, our shepherds should run to take European style, lifestyle, and say: “That is the best”?

What is that *resalet*, what is that foolishness, dirtiness? Allāh should take His revenge on those shepherds who lead the nation of Muḥammad to the wrong way! Say! What is incomplete in Islam! *Lā ḥawla wa lā quwwata illā bi-llāh!*

How can you be hopeful for those nations who are running after non-Muslims’ lifestyle and have left the heavenly style that was arranged by the Lord of Heaven for Ummati Muḥammad ﷺ? How are we going to save ourselves!

Therefore Allāh Almighty is punishing Muslims everywhere, those that are trying to live in the western countries’ lifestyle. They

are shooting themselves, killing themselves, giving trouble to each other, burning from outside and from inside!

They may come to me and say: “O Sheikh, you are wrong”, then lightening from the sky will come on their heads and burn them! I am not an easy one! I am nothing, but sometimes I am a difficult one! *Amān, yā Rabbī!* And I am shouting to my ego also!

Oh, yā Rabb, o Allāh!

Subḥān Allāh, Sulṭān Allāh, Subḥān Allāh, Sulṭān Allāh,

Subḥān Allāh, Sulṭān Allāh, Qabbār Allāh, Sulṭān Allāh,

Qabbār Allāh, Subḥān Allāh, Subḥān Sensin, Sulṭān Sensin!

Subḥān Sensin, Sulṭān Sensin! Subḥān Sensin, Sulṭān Sensin!

Subḥān Sensin, Sulṭān Sensin!

Ey Allāh! Take all power from their hands! Don’t leave any authority in their hands and send fear to their hearts, so that they can’t do anything against Islam and Muslims! Let Your heavenly armies send them away! Send Your good servants to us to take the flag of Islam! *Āmīn.*

May Allāh forgive us!

People are following the wrong way. But there is no blame for non-Muslims. We believe that Islam is perfect and we are leaving Islam and its perfection and running after European nonsense ideas saying that: “Those ideas are perfect.” How then can we say “Yes” to Islam!

Allāh will not leave those foolish people to say: “Islam is imperfect and we are perfect.” No! I hope that this year all of them will be finished!
